Good Day!

We are the UP Peninsulares, a duly recognized varsitarian organization composed of students of the University of the Philippines- Los Baños who originated from Bataan. The organization aims to promote academic excellence among students from Bataan.

We just want to ask if you will allow an online competition held during this pandemic. We, the UP Peninsulares, are planning to conduct an annual Pasiklaban which caters to Junior High School students from Bataan. The said event will cover a quiz show, essay writing contest, and debate competition.

In line with this, we are asking if the said event will push through, can we expect an endorsement from your office? Hoping for your quick response to this matter. Thank you very much
