Dear Mr. Fronda

Greetings!

In celebration of the Accountancy Week from July 17 to 23 with the theme "Play it Forward: Securing a Sustainable Future", the Philippine Institute of Certified Public Accountants (PICPA) - Bataan Chapter will be holding a virtual event entitled "Accounting Made Easy: Understanding the Role of Technology in Accounting" on July 20, 2022, at 1:00 PM, via Zoom. This event will focus on defining how digital technology had shaped accounting, how it diversified the role of accountants, and how this technology can be used in practice.

It is an honor and privilege to invite our dear ABM instructors and teachers to participate in this event. We believe that this event will help our instructors and teachers to be enlightened with new changes that technology brings to ensure that their industry knowledge remains relevant.
