Dear **Dr. Fronda**:

Greetings from the Department of Information and Communications Technology – Region III!

The Technology for Education, Employment, Entrepreneurs, and Economic Development (Tech4ED) Project is a national digital inclusion initiative establishing eCenters that provide critical e-government and ICT-enabled services in communities with minimal or no access to information and government services.

As of March 2022, the project has established 4,898 self-sustaining facilities catering to the digital needs of the Filipino people, wherein 27 of which was established in your Division.

As one of our partners, we would like to inform you that the DICT will be conducting a Tech4ED Census and Monitoring on July to August 2022. This is to monitor the operational status of our partner-managed centers especially in this time of pandemic.

In this regard, may we request your good office to provide us with a contact person for easier communication and assist us during the visit on July 19 - 27, 2022 we will made courtesy to your office on July 18, 2022.

For inquiries, you may contact the following DICT Bataan Provincial Office Personnel.

Gerald Victor M. Calamaan	0998-846-2103	gerald.calamaan@dict.gov.ph
