Dear Dr. Alip:

*Warmest greetings from the Philippine Women's University-CDCEC Bataan!*

The Philippine Women's University – CDCEC Bataan is to offer a **FREE webinar and training** in the following: Mental Health and Personal Health Safety, Basic Cooking Tips and Entrepreneurship, Animation and Photography in both public and private high schools in Bataan.

This is an open invitation to all Grades 10 and 12 of high school students in the light of our current condition. It seeks to answer the questions on how they can manage or re-manage themselves amidst to the pandemic, how they can cope and look other ways or opportunities to lift their interest. Thus, this webinar would be timely and relevant.

In this regard, we would like to offer this to all high schools in Bataan and it would be highly appreciated if we could secure an endorsement from your good office. Also, may we ask for the list of high schools in Bataan that includes the population, contact number, email address and name of principal as we need this information for our undertaking.
