REGIONAL DIRECTOR

Assistant Schools Division Superintendents

Mam,

Greetings of Peace and Prosperity!

With the conclusion of the prestigious and honorable event entitled **GAWAD YBARRA 2020**, a competitive event for teachers, researchers, leaders, and humanitarians, along with the commendation of our beloved **DepEd USEC Diosdado M. San Antonio** for the said event, the initiative group wanted to continue another set of program designed to ensure a quality awarding for the unheralded names in service to the people and the country.

The **Leaders Autonomous International (LAI)**, a congregate of 50+ Universities, international professional organizations and institutions from the Americas, Pan-Asia, India, and Europe wanted to open its doors to the Filipino teachers and professionals to experience a second wave of international honors for the teachers, researchers, leaders and humanitarians in all fields and walks of life.

The L.A.I. is a non-profit, non-stock initiative group whose philosophy is 'no leader, no member; only pure works' done under the principles of 'virtue is higher than law'. The group is spearheaded by five main organizations registered and accredited on their countries such as (1) Astrid Academy founded by H.E. Amb. Dr. Ali Adam Mohammed (Sweden), (2) Roma Institute of European Studies founded by Academician Professor Bajram Haliti from Serbia, (3) Kutai Mulawarman Philippines spearheaded by H.R.H. Princess Eden S. Trinidad, (4) Mahatma Gandhi Peace Foundation founded by H.E. Am. Dr. Hrushikesh Acharya of India, and the (5) Theophany University (with CECLLPAD) founded by Rev. Ptr. Levixon Lundi of the republic of Haiti. Along with these high-standing institutions, accreditations and certifications from ISO 9001:2015, Privaca Accreditation, CPD International, Trust of the Amercias, Organization of American States, and UNESCO highlighted the event for an international stint.

The best thing about the events is that the event is nonprofit. Each events only requested for either the cost of materials, processing, documentation, plaques or medal, communications, transportation, and courier fees which is limited to Php 1,500 only. The amount to be paid served as the full fee to be paid for the entire event. Note that due to the still prevalent pandemic, all activities will be done virtually. The following table on the next page contains the whole year activity, requirements or qualifications of the initiative group.
