Dear Ma'am/Sir SDS:

I hope that this letter finds you in good health.

I am writing to invite your good office for the participation of public and private school teachers in your division to attend our free Robotics Coding Workshop starting May 15, 2021. This is in line with our advocacy to continue to strengthen the technology skills of our teachers nationwide and we are glad that your thrust is also aligned with our goal.

The courses are given below:

Choose from any of these topics

MAY 15	Robotics Coding for Beginners
MAY 15	Incorporating Robotics in Math
MAY 22	Robotics Coding Toward Participating in Competitions
MAY 22	Teaching Robotics in an Online Learning Modality
MAY 29	Introduction to Robotics Using mBot (*mBot is required)

We shall be giving away robotics kits to selected teachers during the sessions.

We are hoping that this invitation will be disseminated to the public and private schools in your division. The registration link is at [shorturl.at/mvTU5](https://mail.google.com/mail/u/2?ik=639a5eeba4&view=pt&search=all&permmsgid=msg-f%3A1698714955252329407&simpl=msg-f%3A16987149552...).
