DEPARTMENT OF EDUCATION  
SCHOOLS DIVISION BATAAN

Dear Madam/Sir,

Greetings!

Nestlé Wellness Campus is an advocacy program of Nestlé Philippines, Inc. in partnership with the Department of Education. The program, now on its 8th year of implementation, is intended to educate grade school and junior high school students on nutrition, health, and wellness to establish healthier eating, drinking, and lifestyle habits.

In line with this, **we Alphabetsoup Inc., partner agency of Nestle Philippines Inc.**, would like to seek your help in supporting this program by endorsing us to the public schools in all your school division. As our partner, we will be requesting each school's assistance in disseminating the new student modules, the wellness song and dancercise, and in inviting all MAPEH teachers to the Nestlé Wellness Campus Facebook group. Our teachers' aides will be ready to assist the schools and teachers in implementing and monitoring the program. We shall also gather the necessary information such as name, school, contact number, email and Facebook username from the teachers to allow us to validate their membership in the Facebook group. Rest assured that all data collected shall be protected and treated with confidentiality and privacy.

Your endorsement letter will be valuable in continuing Nestlé Wellness Campus and we are looking forward to your support.

For any questions or clarifications with the **Nestlé Wellness Campus Program**, you may contact the undersigned or **Mr./Ms. ROSE ANN ALANO, School Negotiator**, at **0907-635-9908**. We look forward to your favorable response.

Thank you!
