REGIONAL MEMORANDUM

No. 133 s. 2021

**IMPLEMENTATION GUIDELINES ON THE VALIDATION PROCESSES OF
SCHOOL-BASED MANAGEMENT (SBM) LEVEL OF PRACTICE
PER DEPED ORDER 83, SERIES 2012**

To: Assistant Regional Director
Schools Division Superintendent
CID/SGOD Chiefs
SBM Coordinators

1. The Department of Education Region III issues Implementation Guidelines on The Validation Processes Of School-Based Management (SBM) Level Of Practice Per DepEd Order No. 83, s. 2012 which will serve as the guidelines on the validation of SBM level of practice of schools in the twenty SDOs of Region III.
2. These guidelines provide the mechanisms and processes to further strengthened the implementation of SBM and thereby scale-up levels of practice by the schools in Region 3.
3. Corollary to this, the different context and types of schools- with their respective PPAs implemented based on their ESIPs, AIPs and other official documents shall be given due consideration and recognition in the assessment and validation of school performance.
4. All previous regional policies, processes or systems related to School-Based Management Assessment and Validation of school level of practice which are inconsistent to this Regional Implementing Guidelines are hereby repealed, rescinded, or modified accordingly.
5. This Implementing Guideline shall take effect immediately.
6. Immediate dissemination and strict compliance are hereby directed.

Enclosure to RM No. 133, s. 2021

**IMPLEMENTATION GUIDELINES ON THE VALIDATION PROCESSES OF
SCHOOL-BASED MANAGEMENT (SBM) LEVEL OF PRACTICE
PER DEPED ORDER 83, SERIES 2012**

I. Rationale

The implementation of the Governance of Basic Education Act of 2001 (RA 9155) provides the mandate for decentralizing the system of school management and recognizes the role of the Local Government Units (LGUs) and other stakeholders as partners in education service delivery.

Consequently, the Department of Education launched the Schools First Initiative (SFI) in 2015 to empower the school and its community stakeholders to effectively address access and quality issues in basic education.

Pursuant to the above mandates, the Department of Education issued DepEd Order No. 83, s. 2012 to further strengthen the School-Based Management (SBM) practice and re-emphasize the centrality of the learners and the involvement of relevant community in basic education service delivery.

However, after eight (8) years of implementation, issues and challenges were expressed by the schools in the Schools Division Offices (SDOs) regarding difficulties in the operationalization of policies and guidelines at the school level and in understanding on how to make SBM work in terms of improving governance practice and achieving organizational effectiveness.

This is evident in the inconsistency in the Validation of SBM Level of Practice of Schools on quality aspects and appreciation of innovation of schools implemented to resolve their diverse and unique challenges. Thus, a more relevant guidelines responsive and appropriate to the needs and condition of each school is highly significant.

Acting on this matter, the Department of Education Regional Office 3, through the Field Technical Assistance Division (FTAD), has conceptualized the implementing guidelines to further strengthened the implementation of SBM and thereby scale-up levels of practice by the schools in Region 3. The different context and types of schools- with their respective PPAs implemented based on their ESIPs, AIPs and other official documents shall be given due consideration and recognition in the assessment and validation of school performance.

Corollary to this, the SBM level of practice is ascertained by the existence of structured mechanisms, processes, and practices in all indicators.

The Schools Division Offices and School administrators shall be guided by this official document to harmonize and unify the SBM assessment and validation in both public elementary and secondary schools in adherence to the transcending framework and happy school's advocacy of the region which aims to level up the SBM level of practice of all its schools and to achieve improved educational outcomes.

II. Scope

This Implementation Guidelines on The Validation Processes of School-Based Management (SBM) Level of Practice shall be used by the School Heads- for self-assessment on the SBM level of their respective level of practice in the 20 SDOs of Region 3; Division SBM Validating Team for validating and monitoring the schools on the implementation of SBM in their respective SDOs particularly certifying Level 2 schools; and, Regional SBM Validating Team- for validating and monitoring the SBM level of practice of the schools specifically the Level 3 in the SDOs.

The Regional Office and Schools Division Offices (SDO) are hereby directed to reorganize the RO/SDO SBM Validating Team as SBM Task Force in the region and in each division. The teams shall now be called the Regional SBM Validating Teams and Division SBM Validating Teams.

III. Definition of terms

Accountability and Continuous Improvement- A clear, transparent, inclusive, and responsive accountability system is in place, collaboratively developed by the school community, which monitors performance and acts appropriately on gaps and gains.

Advanced (Accredited Level) – School-Based Management level of practice 3 that ensures the production of intended outputs/outcomes and meeting all standards of a system fully integrated in the local community and is self-renewing and self-sustaining.

3.2 Conduct observations to obtain process evidence (individual or group interviews)

4. The validators shall be guided by the following indicators in the appreciation of innovations:

4.1 Has all the needed documents from its conception to implementation;

4.2 Has been signed and approved by immediate supervisor and Schools Division Superintendent;

4.3 Has accomplished significant improvement as an intervention school problems or issues as indicated in the rubric under Curriculum and Instruction.

4.4 Has been adopted by all school stakeholders or by other levels of governance in the achievement of desired learning outcomes.

5. The SBM Validating Team shall discuss the synthesized documentary and process evidence, (consensual decision) based from the above processes.

D. Process Flow of SBM Validation

1. The process flow of SBM Validation (Figure 1) shows the different steps to be followed for a systematic validation process.

2. The SBM Validation process has three phases namely:

- a. Pre-Validation Steps
- b. Actual Validation Steps
- c. Post-Validation Steps

3. Under each phase different steps are undertaken to ensure integrity of the SBM validation.

D.1 Pre-validation Steps

1. The school leader shall convene with the different stakeholders in accomplishing the assessment tool to identify the means of verifications (MOVs) or the evidences to justify the indicated rating.
2. School heads shall accomplish the self-assessment tool (*see attached Appendix A*). In determining the points per principle use the Contextualized SBM Assessment Tool. This document shall be strictly checked and monitored by the Division SBM Validating Teams in coordination with the FTAD-RO and in preparation for the RO-SBM Validating Team.
3. The school heads shall reflect upon and identify their own respective innovative outputs, effective practices per principle as a result and impact of PPAs conducted to improve learner outcomes.
4. The SBM validators shall likewise look into the alignment of these implemented innovative PPAs to the ESIP, AIP and WFPs with consideration to the goals and activities stipulated in the OPCRF and IPCRF documents which have a significant/evident impact upon the learning outcomes of the learners.
5. The PSDS in-charge or the SBM Validating Team leader shall review and validate the accuracy of the documents before submitting to the Division SBM Coordinator.
6. The Division SBM Coordinator shall collate self-assessment documents from schools and give them to the assigned committees during the planning meeting.
7. The committees assigned per SBM dimension shall be required to list down pertinent information into the Consolidated Reports on The Validation of The Schools' SBM Level of Practice (*See Appendix B*).
8. The Division SBM Coordinator shall prepare and submit the final reports of the SBM validation duly signed by the SDS to the E-portal of FTAD-RO. The Submission is a month before the date of the validation to give the Regional SBM Validating Team members enough time to read and assess its contents in preparation for the actual school validation.
9. Through the recommendation of the SDO, the validated Level 3 schools are required to submit self-assessment documentation to the E-portal of the FTAD-SBM validation for advanced consolidation and in preparation for regional validation
10. The Regional SBM Validating Team shall strictly check and analyze the SBM performance of the schools as a basis for the provision of technical assistance.

Republic of the Philippines

REGION III-CENTRAL LUZON

D.2. Actual Validation Steps

1. The RO and SDO SBM Validating Team shall be assigned to specific principle per school.
2. The school shall conduct a short program to formalize the solemnity of the activity:
 - Invocation
 - Welcome Remarks of School Head
 - Short Presentation of School Profile, Innovations, and Best Practices
 - Introduction of RO/SDO SBM Validating Team members as SBM Validating Team by the SDO team leader
 - Brief Overview of the D-O-D Process by the RO/SDO SBM Validating Team leader
3. The schools shall present their respective documents to validate the data on intermediate learning outcomes or innovative programs under continuous improvement for upscaling learning outcomes.
4. The RO/SDO SBM Validating Team's validation process shall follow a triangulation method by analyzing the documents, conduct of interviews with the teachers, learners, and external stakeholders. The impact of the PPAs implemented shall be given premium so that innovations shall be properly appreciated and recognized specifically in the aspect of curriculum and instruction which underscores learning outcomes.
5. The Regional SBM Validating Team shall discuss the validation findings, recommendations, and best features of the school to provide school heads an overview of their performance and the things that needs further TA for improvement.
6. The team leader, in collaboration with all members, shall prepare the report on school's performance using the template indicated in *Appendix C. RO/SDO Validators Tool Template*
7. The Regional validating team shall convene with the Division validating team for discussion, recommendations, and next steps for the provision of TA to the concerned schools. In the event that self-assessment results is higher than the evaluation of the RO/SDO SBM Validating Team, the level shall be retained or deferred until such time that school can comply with the needed requirements being asked for by the validators.
8. Revalidation of the school shall be done after one (1) month depending on the findings of the RO validating team.

Republic of the Philippines
Department of Education
REGION III-CENTRAL LUZON

9. The RO/SDO SBM Validating Team through the PSDSs in each district or SBM coordinators in each SDO, shall be expected to monitor and provide technical assistance to the school in the whole process.

D.3 Post Validation Steps

1. The Regional SBM Validating team leader, in collaboration with all members, shall prepare the report in preparation for the wrap-up session. *See Appendix B: Consolidated Reports on The Validation of The Schools' SBM Level of Practice.* The findings shall be presented to the school SBM Team.

2. The school shall disseminate the Findings and recommendations given by the RO SBM validating team to the school's stakeholders.

3. An action plan to address and implement the recommendations shall be prepared by the school.

4. The PSDSs/SBM coordinators shall monitor and provide technical assistance in the implementation of the action plan recommended by the Division SBM Coordinator and duly-approved by the Schools Division Superintendent.

5. Level 2 schools shall be duly-certified by the Schools Division Superintendents.

6. All schools assessed as LEVEL 3, after thorough validation by the RO/SDO SBM Validating Teams, shall receive Certificate of Accreditation from the Regional Office signed by RD led by the Field Technical Assistance Division.

G. Scoring Guides

1. The four (4) principles were assigned percentage weights on the basis of their relative importance to the aim of school on improved learning outcomes and school operations, based on intermediate learning outcomes of DepEd. The Description of SBM Levels of Practice are as follows:

Level I: Developing – Developing structures and mechanisms with acceptable level and extent of community participation and impact on the learning outcomes. MOVs indicate early or preliminary stages of implementation.

Level II: Maturing – Introducing and sustaining continuous improvement process that integrates wider community participation and improve significantly performance and learning outcomes. MOVs indicate planned practices and procedures are fully Implemented.

Level III: Advanced (Accredited Level) – Ensuring the production of intended outputs/outcomes and meeting all standards of a system fully integrated in the local

community and is self-renewing and self-sustaining. MOVs indicate practices and procedure satisfy quality Standards.

2. Each principle has its corresponding standard means of verification documents based on the intermediate learning outcomes of the DepEd. However, the MOVs are dependent on the context of the schools or whether such programs are relevant to the existing targets for school performance. Alignment of all MOVs in every PPAs conducted shall be referred to the ESIP, OPCR, AIP, WFP and other pertinent official documents.

4. The DOD Process shall be following the scoring guide in appreciating the MOVs presented:

| Numerical Rating Scale | Description |
|-------------------------------|---------------------------------------------------------------------------------------------------------|
| 0 | No evidence |
| 1 | Evidence indicates developing structures and mechanisms are in place to demonstrate ACCESSs |
| 2 | Evidence indicates planned practices and procedures are fully implemented and aligned to ACCESSs |
| 3 | Evidence indicates practices and procedures satisfy quality standards |

5. The score/points shall be taken from the rubric provided per DO No.83, s. 2012 as the school head assesses their SBM practice.

6. The points garnered shall be multiplied by its corresponding percentage weight.

H. Scoring Steps

1. Count the number of check marks in each criterion and record in the appropriate circle in the summary table (sub-total) for the area/standard rated;
2. Multiply the number of check marks in each column by the points assigned for each level (1-3). Then add the sub-total to get the total score.

3. Get the average rating for the principle by dividing the total score by the number of indicators of the principle;

4 Record the average ratings for the principle in the Summary Table for the computation of the General Average;

5 Multiply the rating for each principle by its percentage weight to get the weighted average rating;

6 To get the total rating for the four principles, get the sum of all weighted ratings. The value derived is the overall school rating. Every end of each principle, the school needs to compute the total rating to get the weighted mean following the percentage of each principle.

I. Sample Computation with Equivalent Points

Compute the scores by principle following the formula below: Total Score/Points x weighted percentage allotted to each principle

| | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Principle 1: Leadership and Governance (30) Total Score: 9 No. of Indicators: 5 Weighted Percentage 30% $9/5 \times .30 = .54$ points earned for Leadership and Governance | Principle 3: Accountability and Continuous Improvement (25) Total Score: 9 No. of Indicators: 5 Weighted Percentage 25% $9/5 \times .25 = .45$ points earned for Accountability and Continuous Improvement |
| Principle 2: Curriculum and Instruction (30) Total Score: 12 No. of Indicators: 7 Weighted Percentage 30% $12/7 \times .30 = .51$ points earned for Curriculum and Instruction | Principle 4: Management of Resources (15) Total Score: 10 No. of Indicators: 5 Weighted Percentage 15% $10/5 \times .15 = .3$ points earned for Management of Resources |
