**DIVISION MEMORANDUM**  
**No. 111, s. 2020**

**SUBMISSION OF READINESS REPORT OF TEACHERS AND LEARNERS IN PUBLIC AND PRIVATE SCHOOLS AND SUCS/ LUCS IN KINDERGARTEN, ELEMENTARY, JUNIOR AND SENIOR HIGH SCHOOL ON DIFFERENT DISTANCE TEACHING AND LEARNING MODALITIES**

To: Assistant Schools Division Superintendent  
Chiefs of Division, CID and SGOD  
Public Schools District Supervisors  
SGOD Personnel  
Public and Private Elementary, Junior and Senior High School Principals  
All Others Concerned

1. The Department of Education (DepEd) Region III is conducting a survey on the readiness of teachers and learners in public and private schools and SUCs/ LUCs in kindergarten, elementary, junior and senior high school on different distance teaching and learning modalities as per Regional Memorandum No. 108, s. 2020.
2. Result of the survey shall serve as a basis in planning the teaching and learning modalities and learning materials that will be used for the learners from kindergarten to grade 12. However, any decision that the Department will make for the continuation of learning will always have to put into priority the health, safety and well-being of teachers and learners.
3. Electronic copies of the survey template for teachers and learners will be sent through the Public Schools District Supervisors (PSDS) and Education Program Supervisor for Private Schools. **RM 108, s. 2020 reiterates that making any alteration to the template should be avoided.**
4. All public schools and private schools are requested to answer the survey template for teachers. **Total enumeration shall be used for teachers.**

5. For the learner's survey, (See Annex List of Participating Schools for Learners' Survey), **random sampling technique shall be used**. For each sampled school, five (5) randomly selected learners PER GRADE LEVEL, for all grade levels offered by the school should be sampled. The school head shall randomly select the teacher(s) per grade level who will be given the task of interviewing parents of learners. The randomly selected teacher(s) per grade level shall then randomly select learners from their class list and **interview their parents through mobile phone**. The phone interview is deemed to be the best method given quarantine conditions. Online interview was not chosen as the primary data collection method because this would restrict the sample to only those with access and this would bias the data. **Strictly no sending of survey template to learners online.**
6. All public school principals are required to submit the softcopies of their report to their respective PSDSs who shall consolidate the report of their district and send to Mrs. Josefina Tranate Naguit (FB Messenger), Planning Officer III. On the other hand, all private school principals shall submit softcopies of their report directly to Mrs. Naguit. Deadline of submission is on **May 22, 2020** to give sufficient time for the division consolidation, data analysis, identification of strategies and writing of report to be submitted to the Regional Office.
7. Immediate dissemination and compliance of this Memorandum is enjoined.
