Schools Division in Region III

Re: Upskilling and Recognition day for Microsoft Education Ambassadors

For the past few months, our distinguished Microsoft Education Ambassadors from the Philippines have trained over 300,000 educators in the Philippines on the proper use of technology for teaching and learning. In Region III alone, the Microsoft Education Ambassadors have trained an estimated number of 800 educators. In line with this, we would like to request the presence of the Microsoft Education Ambassadors from Region III to attend a 1- day upskilling workshop and recognition event to celebrate the success of their extension of training to their own schools and communities. We would also like to take the opportunity to share some program updates and a re-training of new technology tools for learning.

The event will take place on **March 21, 2020 from 9:00am to 08:00pm at Manila City.**

Microsoft will cover the training venue, trainer, content and training meals. All other expenses such as transportation and lodging are to be borne of the participant or their organization.

For any questions, you may contact Jomar de Leon by sending an email to v-jodel@microsoft.com. Thank you and looking forward to you support!
