

A MODERN LEARNER

by:

Maria Aiza A. Dela Cruz

Teacher III, Alikabok Elementary School

A modern learner possesses certain characteristics that make him stand out and remarkable. These distinctive traits mark him better as a modern epitome of learner who could hurdle changes, challenges, adversities and advancements in learning.

A modern learner is creative and innovative. This kind of learner manifests creative skills and innovative moves which are contributory to his progress in education. This learner is fond of inventiveness and is inclined in pioneering new things.

A modern learner is collaborative and communicative in nature. This means that the learner takes the opportunity to talk and deal with people in order to discuss new ideas and to share his thoughts and insights.

A modern learner employs critical thinking and deals with problem solving. This kind of individual thinks profoundly and scrutinizes carefully every detail of information. He also takes the challenges in solving problems in order to arrive on a certain solution.

A modern learner takes in account various matters on global issues. This type of learner keeps himself abreast with the current events and updates himself with the latest happenings that are found relevant and meaningful to the society.

A modern learner is technologically literate. It is very essential for a learner to have a know-how in the use of the modern technology because nowadays the bulk of information are easily accessed through the use of computers.

A modern learner considers himself as a lifelong learner. This connotes that as long as a person lives, he should not stop from learning. People learn every day from studying or in mingling with people and in gaining more experiences.

A modern learner has richness in terms of contents. This means that this person accumulates more knowledge and information in order to help him in dealing with different challenges in school and in real life.

Being a modern learner entails not only richness in thoughts but also the passion to take the challenges that beset your ways, whether in school or outside. Be empowered...be a modern learner!
