To whom it may concern:

Good day!

UP Peninsulares is a duly-recognized student organization of the Bataan students of the University of the Philippines Los Baños. The organization aims to promote academic excellence among the Bataan studentry.

First of all, we would like to thank you for being part of the success of our event Pasiklaban 2022. In line with this, we are inquiring if there would be a chance of conducting an in-person (face-to-face) event by next year. We, the UP Peninsulares, are planning to conduct the annual Pasiklaban which caters to Junior High School students from Bataan. The said event may cover a quiz show, essay writing contest, and debate competition. Our target date is somewhere between April 10-15, 2023.

This email is intended for initial planning purposes and we would like to hear from you about the possibility of being granted an event permit for Pasiklaban 2023. We will send official hard and soft copies of the activity proposal upon your approval for our event.

Hoping for your positive response. Thank you and more power!

Best regards,
DONN EDMHAR C. RAMOS
Education Committee Head, 2022-2023
