Good day!

As part of rendering service to the Bataan studentry through academics, **UP Tangway** will conduct the annual **Patinikan**, an inter-school competition open to all high school students from Bataan.

This year's Patinikan will be held on **January 25, 2020** at the **Bataan Peninsula State University – Main Campus, Balanga, Bataan**. With the theme **Klimagsikan: Youth Rising Against Climate Crisis**, Patinikan 2020 aims to encourage the youth to critically think of ways to combat climate change and contribute on how to reduce its catastrophic effects. Furthermore, the competition aims to give an opportunity for the youth to voice out their role in promoting plausible actions on this topic.

With this, we would like to ask support of the Department of Education Division of Bataan in the form of an **endorsement** for this particular event. We believe that your action will help us towards deep consciousness on scholarly and socially-pertinent matters, and help the future generation of leaders, innovators of our nation.

We hope for a favorable response from you. For questions and clarifications, please contact Mary Faith Delas Alas, at 09301567173 Thank you!

Respectfully yours,

  
**MARY FAITH C. DELAS ALAS**  
UP Tangway President
