School Division Superintendent, DepED - Bataan
City of Balanga

Dear Dr. Alip,

The center of any institution is to guard the dreams, hopes, and wonders of the young through the meta-narrative that will lead the youth to build the broken pieces of the past and craft their story on which it will serve as a history of the future.

An education with a scholar-warrior way should provide a framework for the youth to see history in a higher altitude amidst the, as Thomas Friedman puts, **age of acceleration**. National Artist for Literature said:

As a writer, I have tried to rekindle our memory, to exalt our past even if it denigrates us, for this past gives us sinews and hope...Look into the past, and know that we have a revolutionary tradition, that we are a heroic people. And in the phalanx of heroes, Rizal symbolizes all of us...

Today, however, as the young faces the perfect storm of postmodernism
It is a must for the young to be intentional on collaborating and competing globally to be intensified with deeply rooted in national identity.

Thus, as we live in a great upheaval a lecture series (seminar-type) will be launched on **February 7th, 2020**, at **Cinema 4, Vista Mall with National Artist Francisco Sionil Jose** entitled **"Hero's Journey: Seeing Rizal in a Higher Altitude"** will set a momentum to set Philippine history in motion just like when Rizal met the handful few, used the flow of pen and paint, to bring back history, culture, memory being erased to the psyche of the Filipinos. Such stories leave a legacy to the frontier of Bataan, four decades later, through the 41st Division of Philippine Army under General Vicente P. Lim. The said seminar will have a learning investment of Php. 350.00. In this line, in response to the heart of Republic Act No. 229 to remember Rizal's legacy through the art of literature and Proclamation 683, declaring February Arts Month

We would like to seek permission from your good office to partner with us through your endorsement for the participation of private school students on the **"Hero's Journey Reimagined"** to showcase **artworks, lectures, and workshops** from February 8 - 10, 2020 at Vista Mall, Balanga City for free. And also may we seek your endorsement to invite Junior High School to attend a H+Art Beat Forum (History and Art) entitled **"Hero's Journey: Seeing Rizal in a Higher Altitude"** with the National Artist for literature **Francisco Sionil Jose** as a guest speaker on **February 10, 2020, from 8:00 AM - 12:00 nn** at **Cinema 4, Vista Mall, Bataan.**

Also, in order to re-calibrate the students perspective to history, we would like ask you're good office to invite the **School Heads and Araling Panlipunan Educators (public and private schools)** for a free admission talk entitled **"Hero's Journey: Re-calibrating the Battlefront of Bataan"** with **National Artist Francisco Sionil Jose** on **January 31, 2020, from 8:00 am to 11:00 am** at the SDO, Conference Hall, Capitol Compound, Balanga City.

In lieu with this, we would like to catalyze the imagination of the youth in a critical mass level as they should face their future with all confidence of the past, thus, may we seek your support on conducting a campus tour lecture entitled **"Hero's Journey: Re-calibrating the Battlefront of Bataan"** with minimal learner's fee of **Php. 50.00** inside the school premises **from January to April** on the importance on the narrative of the Battle of Bataan in preparation to the Republic Act 3022 declaring April 9 of every year as **Bataan Day** and Executive Order 203 revised all national holidays in the Philippines, referring to the April 9 holiday as **"Araw ng Kagitingan (Bataan and Corregidor Day)"**

Attached herewith are the project description and program flow

Thank you for your kind consideration.
