"The Story of Our History"

"To foretell the destiny of a nation it is necessary to open the book that tells of her past..."

Division of Bataan

Dear Sir,

Greetings Beloved Educators!

Over the past 5 years Historya Production has inspired over a million learners and educators all over the country. The journey continues this school year 2019-2020 as continuously supported by our National Institutions-the Department of Education with the Advisory No. 03 and the Commission on Higher Education.

We believe in this present time with our chaos-surrounding society, learners are in dire need of innovative, progressive method and creative tools in learning that will enable them to navigate life's tests, help them awaken their senses and their role in building a new world of our civilization. It's not enough though merely hear and profess grand ideas, action needs to accompany words. The action happens when ethics and historical principles are integrated at a deep level and become part of the learner's character and formation.

It's our pardonable pride to Re-Introduce Historya Production. This is a UP and CCP research-based production which is the most spectacular, provocative and tagged as a world-class, globally phenomenal production that everyone must see. This LIVE staging runs about two and a half to three hours and covers our 500 years as the Filipino Nation from the Pre-Colonial Era up to the present time. Included on the content unravels the story an identity of our 3 major islands that allow learners a massive and depth exploration of our rich culture and traditions.

Allow Us to Wade Through The Social and Learning Relevance of the Show:

- Harness the Creativity of Filipino Artists and Artisans.
- Present a Stimulating and Panoramic view of History that embarks our values as learners and citizens of our country.
- Rediscover our origins as people, influences and how values and civilization evolved through time.
- Boasting, Educating, and Empowering Nationalism, Heroism and Patriotism. As they will witness the struggles of heroes, valor, beauty, and strength of Filipinos.
- Supporting and complementing the K-12 Curriculum. The concept, creativity, and content cover all the Learning Areas in a method of Visual Approach. History (Kasaysayan), Filipino (Panitikan), Values Education (Edukasyon Pagpapahalaga), English (Communication Arts), MAPEH, Humanities, Rizal, Social Science, and Literature.

We believe that our program represents a path towards our shared vision and mission to Philippine Education. We optimistically express our appreciation to your support on the nobility and strength of this endeavor.

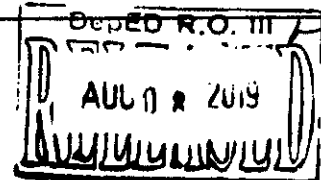

After considering this proposal, feel free to contact us to further discuss this opportunity.

HI I'M MARGARETTE FROM LUBAO, PAMPANGA. I watched your performance today with my daughter at Pineda's Sports Complex. Before pa niremind ako ng teacher ng anak ko na may papanoorin sila about History.. Yes 'HISTORY' a boring subject when I was in my secondary and tertiary school! But you know guys I didn't expect it na sobrang naaliw ako kanina. Napaiyak pa nga ko nung binaril si Rizal. I was so amazed! ang galing! unlike sa ibang pinapanuod namin na film viewing puro mga kwento lang na di maintindihan ng mga bata, sayang lang ung binayad. pero po ung sa inyo sulit po ang bayad. Thank u for sharing us with your brilliant minds and of course your talent.

It's a great show..you would laugh and cry...they show real emotions that would make you feel their pain in that situation. I hope someday I could dance as gracefully as them.
