School Division Superintendent, DepED - Bataan
City of Balanga

Dear Dr. Alip

The Battlefront of Bataan amidst the perfect storm of World War 2 in the Philippines serves not just as a story of tears and blood, but also a story of hope and joy.

In this light, it is the desire of the company that, through a story festival with a forum entitled **"Hero's Journey Recalibrated: On the Other Side"** and art gallery to be known as **"Rise Reimagined: Recalibrating the Heartbeat of Kalayaan"** from March 18 - 20, 2020 in partnership with **Vista Mall Bataan**, the current generation will see beyond themselves as they zeroed in to the meta-narrative of BGen. Vicente P. Lim and his 41st Division, PA who responded to a call on serving the oppressed beyond their duty at the frontier of Bataan.

In addition, with the unknown narratives being unlocked may the current educators and learners find the burden to build the broken pieces of the past and bring the national respect. In line with the preparation of celebration of Women's Month and the upcoming of "Araw ng Kagitingan" / "Bataan Day" - April 9.

May our intention to raise the educators and learners national consciousness to see history in a higher altitude and to deconstruct the narrative written in the western formulation will be realized, since the array of forces demands to recalibrate the national psyche of the Filipinos in a time of "Global is Asian" as the echo of globalist Rizal attempted to unearth the Origin of the Filipino Scholar - Warriors when he said:

We (Filipinos) forget our songs, writings, poetries, and laws in order to learn by heart other doctrines that we don't understand.
