ROLAND M. FRONDA
Oic- Schools Division Superintendent
Schools Division Office - Bataan

Dear Mr. Fronda,

LINK Center for the Deaf Inc. and Miriam College Growth Upgrading and Resource Office (MC GURO) are grateful for your invaluable support to the series of webinars to public school teachers we are providing under the Online Teacher Enhancement Program (OTEP) 2022. Through your Office, we were able to reach out to more public school teachers, both special and general education teachers receiving learners with difficulties (LWDs) and helped equip them with knowledge and competencies in managing an inclusive classroom and providing effective instruction for LWDs.

To conclude the webinar series, we have come up with an activity where teachers and administrators will have an opportunity to interact with Resource Persons on the topic: Encouraging Inclusive Education Practices and Establishing Inclusive Learning Resource Centers – a Conversation with Classroom Teachers. We have invited current and former officials from the Department of Education to facilitate the conversation with classroom teachers which aims to help them be able to identify some key strategies and activities in promoting school-wide education practices as well as gain insights on organizing and supporting Inclusive Learning Resource Centers.

On behalf of LINK Center for the Deaf Inc., I would like to request your kind assistance again in disseminating our invitation to a meaningful conversation on October 15, 2022 from 9:30 AM -12 PM via Zoom. The program for the day will be as follows:

9:35-9:40 AM	Philippine National Anthem
