Greetings in St. La Salle!

Hult Prize, also known as the Nobel Prize for students, is a start-up accelerator for budding young social entrepreneurs emerging from thousands of universities worldwide. It is the world's largest student competition and crowdsourcing platform for social responsibility. Hult Prize at De La Salle University-Manila, specifically, is a supervised student organization of the DLSU-Lasallian Social Enterprise for Economic Development (LSEED) Center that provides an avenue for Lasallians to realize their potential in becoming changemakers.

Specifically, we would like to most earnestly request a **DIVISION ADVISORY** to invite students from your division to join our main event (online) on **November 26, 2022**. On this date, the Hult Prize at De La Salle University will be conducting **Pitch Day**, the culmination of our flagship event titled the **2022 OnCampus Program**. It will be conducted via Zoom and Facebook Live.

2023 OnCampus Official Invitation

October 10, 2022

Greetings in St. La Salle!

Hult Prize, also known as the Nobel Prize for students, is a start-up accelerator for budding young social entrepreneurs emerging from thousands of universities worldwide. It is the world's largest student competition and crowdsourcing platform for social responsibility. **Hult Prize at De La Salle University-Manila**, specifically, is a supervised student organization of the DLSU-Lasallian Social Enterprise for Economic Development (LSEED) Center that provides an avenue for Lasallians to realize their potential in becoming changemakers.

With this, we would like to invite your school to watch and support our flagship event titled: the **2023 OnCampus Program**. The OnCampus Program operates on nearly 2,000 college campuses on five continents consisting of contenders, mentors, speakers, and judges, all searching for the next \$1 million Hult Prize idea. Hult Prize at DLSU's OnCampus Program will begin in October for training sessions and ends on **November 26th for the main event, Pitch Day**. On that day, the top 5 contenders will pitch in front of our esteemed judges. Still, only the top 3 winners will get a chance to represent De La Salle University-Manila as delegates for the 2023 Regional Impact Summit.

There are various events you can attend during the OnCampus Program. The dates, times, events, and links are found below:

HULT PRIZE AT DE LA SALLE UNIVERSITY

Since the OnCampus Program is open to non-DLSU students, Hult Prize at De La Salle University will surely make the teachers and students feel welcome during the events. They are also encouraged to engage by asking questions to our speakers.

Thank you so much for your time and consideration. We look forward to seeing you at our event.
