Greetings!

We are the **UP Organization of Business Economics Majors (UP OBEM)**, a duly recognized socio-academic organization based in the School of Economics, University of the Philippines Diliman. It has been triumphant in furthering its core thrusts of unity, service, and excellence. Now in its 35th year, UP OBEM continues to promote and strengthen its presence as the only business organization in the UP School of Economics, committed to fostering academic excellence and providing exposure to business and economics environments among its members and the student community.

This year, the UP OBEM will once again hold **Econ No-Mix**, an annual economics convention that aims to bring together over 300 high school students nationwide to promote economics by introducing different economic concepts in various fields through talks and competitions. It will be held on **March 25 and 26, 2023**, via several online platforms, primarily **Zoom**.

Now in its third year of online adaptation, Econ No-Mix is back with the title "**FORTIFY: Fostering PH Social Welfare by Empowering the Agricultural Economy**." This year's Econ No-Mix will feature agricultural economics, with a particular focus on the various ways in which the country's agricultural condition can affect the welfare of the Filipino people. It will look into and stimulate solutions from the youth for the various issues surrounding the agricultural sector of the Philippines.

Pursuant to DepEd Order No.8 s. 2013 entitled "Policy Guidelines on Regulating the Issuance of DepEd Advisories," we would like to request an advisory from your good office to further promote our event and to encourage a greater audience to participate in the competitions.

There shall be a registration of **PHP 100.00 per participant**. Furthermore, **certificates of recognition** will be given to all participants, with **cash prizes** awarded to the winners of each competition.
