**Subject: Letter of Invitation for Spark Kagitingan Ideation Workshop**

Dear Dr. Violeta,

Greetings of Peace and Enthusiasm!

The **DOST-PCIEERD-BPSU SIKAT Technology Business Incubator (BPSU SIKAT TBI)** aims to help startups and university spinoffs by conducting training and technology matching, and providing resources, facilities, and value-adding services needed during the development stage.

Recently, BPSU SIKAT TBI launched the **SPARK KAGITINGAN BOOTCAMP** with the goal to maximize the strength of students in Bataan by turning their research ideas into a feasible and viable startup. **SPARK KAGITINGAN BOOTCAMP** is an idea-to-impact workshop and competition that aims to encourage and support young innovators and budding technopreneurs to create innovative and disruptive business solutions in the province of Bataan.

Aligned with this, we will be conducting a **Design Thinking Workshop** that will focus on teaching students and faculty the design thinking process behind creating a viable startup. Invited participants are senior highschool and college students from various highschools and higher education institutions across Bataan.

With this, we are humbly requesting the department's assistance in disseminating our request for Science Investigative Research instructors to handpick three (3) to five (5) students and one (1) faculty to attend the **Spark Kagitingan Ideation Workshop** on **May 31, 2023 (Wednesday), 8:00 AM - 12:00 NN** at **Patio Gilliana, Lou-is Resort & Restaurant**.

We'll also be holding an optional Zoom meeting on **May 22, 2023 (Monday)**, 10:00 AM - 12:00 NN before our official event to properly onboard your school officials or assigned focal person and faculty. Kindly register in the link below if you are interested in participating in the meeting: <https://tinyurl.com/SKOrientationMeeting>

Upon completion of the workshop, BPSU SIKAT TBI aims to meet the following objectives:

- Establish a harmonious linkage with various highschools and HEIs in Bataan;
- Introduce to the students the design thinking process and its proper application; and
- Raise awareness on the presence of Technology Business Incubators in the province.

Attached herewith is the program for the Spark Kagitingan Ideation Workshop for your reference. For questions and confirmation, you may contact our partnership and engagement associate, Ms. Jacqueline Isip at [jadrisip@bpsu.edu.ph](mailto:jadrisip@bpsu.edu.ph) and 09686621753

We are looking forward to your favorable response to this request. We are hoping that we can work together to bring a relevant impact to our local entrepreneurial landscape.

Thank you very much!

Very truly yours,
