REGIONAL MEMORANDUM

No. 208, s. 2023

SUBMISSION OF ENTRY CREDENTIALS, RESEARCH OUTPUTS,
REQUIREMENTS, AND OTHER DOCUMENTS
OF IDENTIFIED PNU LISQUP SCHOLARS

To: Schools Division Superintendents

1. With reference to the issued letter from the Vice President for Academics and the LiSQuP Project Director, Jennie V. Jocson, PhD, dated May 12, 2023, this Office informs the Schools Division Offices about the strict compliance on the submission of entry credentials, research outputs, class requirements, and other documents of identified Linking Standards and Quality Practice (LiSQuP) Scholars to the Philippine Normal University (PNU).
2. With the persistent efforts exerted by this Office in reminding the scholars about the submission of entry credentials, it is still reported that out of 201 scholars, there are 83 scholars (identified in the attached list) who remain non-compliant with the submission of entry requirements which includes Transcript of Records with Copy for PNU, 2x2 ID Picture, and Certificate of GPA.
3. In this regard, the 83 concerned scholars are given this whole month of May to **strictly submit** the needed documents. As the LiSQuP program has been running for more than a year, it is **expected** that the issue on the non-submission of entry credentials **shall have been settled** by the end of May 2023.
4. Regarding the Research Clinic 1 outputs which are prerequisites to Research Clinic 2, submission of research themes and annotated bibliography of concerned Region III LiSQuP scholars **must be done** on or before May 20, 2023. The list of non-compliant scholars and their specific concerns are in the attached Letter. The submission links for the said requirements are likewise listed therein.
5. In terms of scholars with incomplete grades from the previous Academic Terms, they are instructed to send an email to lisqup.support@pnu.edu.ph for assistance on the completion process. Completion is crucial in the scholars' application to Comprehensive Examination. Finally, an instruction for other scholars is given to those who are attending their bridging scheme.
6. **Scholars who remain inactive with the submission, compliance, and engagement found in this memorandum shall be sent individual letters demanding for explanation and/or refund.**

Mr. OLIVER AREVALO
LiQuP Focal Person

Dear Dr. Eclar:

Greetings!

On March 23, 2023, we forwarded to your office the list of active scholars in your region who have yet to submit their entry credentials. With your consistent support to follow up with scholars, **we are happy to inform you that out of 201 scholars, 118 have already completed the submission of their entry credentials.** While there is a considerable increase in the number of scholars who have submitted their entry requirements, **we still ask for your assistance in following up with the remaining 83 scholars.**

In relation to this, we would also like to request your assistance in following up with scholars on the following:

1. Submission of their Research Clinic 1 outputs. Research Clinic is a series of activities spread throughout their scholarship that aim to guide and prepare scholars for their thesis and dissertation writing. The completion of their Research Clinic 1 output, which include their research themes and annotated bibliography, is a prerequisite for their upcoming Research Clinic 2. They may finalize their outputs on or before May 20, 2023, Saturday, via submitting them to the following links:

Submission Link for Annotated Bibliography: bit.ly/SubmissionOfAnnotatedBibliography
Submission Link for Research Theme: bit.ly/ReflectionAndResearchTheme

2. Completion of their incomplete subjects. The completion of the grades of scholar is crucial as 2021 scholars are leading toward Comprehensive Examination. Only scholars who have satisfactorily passed and completed all their course subjects may take the said examination. For the completion of their grades, they may email lisqup.support@pnu.edu.ph to assist and instruct them on the completion process.

3. Participation of identified PhD scholars in the bridging scheme. As an entry requirement for PhD scholars who graduated from a non-thesis master's degree program, they must undergo a bridging scheme by presenting a research paper at an international conference and publishing their paper. The identified PhD scholars must communicate with us to plan out their bridging scheme.

Attached are the following for your reference:

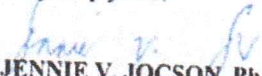

1. Appendix A: List of scholars and their submitted entry credentials
2. Appendix B: List of scholars who have yet to submit their outputs for Research Clinic 1
3. Appendix C: List of scholars with INC-marked grades
4. Appendix D: List of scholars who will undergo the bridging scheme

We are fervently hoping for your continued support and assistance in these matters.

Should you have any concerns or queries regarding the appendices, you may email the LiQuP Project Development Team at lisqup@pnu.edu.ph.

Thank you very much.

Very truly yours,

JENNIE V. JOCSON, Ph.D.
Vice President for Academics
