***Subject: Invitation to Participate in On-the-Spot Painting Competition –  
"Kapwa: Retracing the Nation Builder's flow of Heart and Mind"***

Dear Dr. Violeta;

Greetings from the Development Academy of the Philippines (DAP)!

We are delighted to extend this invitation to the Philippine High School for the Arts to participate in our upcoming on-the-spot painting competition, entitled, "***Kapwa: Retracing the Nation Builder's flow of Heart and Mind.***"

The DAP commemorates its 50th Founding Anniversary on June 23, 2023, at the DAP Conference Center in Tagaytay City, we seek to offer the next generation a fresh perspective on the struggles and triumphs of our nation builders, rekindling their appreciation for history, memory, and culture. The on-the-spot painting competition will serve as a vehicle for this exploration, inviting participants to express their interpretation of the Filipino Kapwa Culture—a concept that goes beyond self-orientation and embodies the fight for something greater than oneself.

Also, in the spirit of the Philippine Independence Day celebration in accordance with Republic Act No. 4166, the DAP aims to promote the importance of nation-building values among our youth, aligning with the vision of the Department of Education. We envision a future where Filipinos passionately love their country, realize their full potential, and meaningfully contribute to nation-building.

The competition will take place on ***June 19 to 20, 2023***, at the DAP Conference Center, Tagaytay City. It is open, free of charge, to the Arts and Design Tracks of the Department of Education, Fine Arts College Students, and mentors from participating schools. We believe that Philippine High School for the Arts has individuals under ***Senior High School – Art and Design Track*** who possess the artistic skills and a deep understanding of Filipino culture, making them ideal participants to animate the national consciousness and contribute significantly to this event.

Participating in this competition will offer artists a platform to showcase their talent while providing a unique opportunity to express their interpretation of the Filipino Kapwa Culture within a VUCA (Volatile, Uncertain, Complex, and Ambiguous) environment.

To support the participants during their stay, the DAP will sponsor accommodation and meals for the duration of the event. Winning participants will receive special prizes.

The winning paintings will hold a prominent place at the DAP Art Gallery for a period. They will be showcased during the main event of the anniversary celebration, alongside distinguished works of national artists. This collective display will serve as a profound source of inspiration and aspiration for our society and future generations.

We kindly request you to confirm your interest and participation by June 13, 2023. Should you have any questions or require further information, please do not hesitate to reach out to us at [manuelv@dap.edu.ph](mailto:manuelv@dap.edu.ph) or +639672778508.

Thank you. We hope that you and your team will join us in this celebration of art, culture, and the spirit of nation-building.

Yours sincerely,
