Dear **Director Eclar**:

We hope that you are doing well.

We are writing to respectfully request assistance in disseminating information regarding issuance and release of Certificates of Registration (COR) to your personnel who are registered professionals.

To date, PRC Regional Office III has a total of 7,263 unclaimed CORs of Licensed Professional Teachers. PRC CORs, otherwise known as Board Certificate/'Lupon', is the material proof of eligibility, while the Professional Identification Card (PIC) serves as identification as a licensed professional.

A COR is issued six (6) months upon Initial Registration to licensed professionals (Initial Registration is the process upon which the first-ever PRC ID of the person is issued after successfully passing the licensure examination).

In order to facilitate the prompt release of the unclaimed CORs, we would like to respectfully request that the following information be cascaded to the Schools Division Offices and DepEd schools within the region:
