UNESCO-APNIEVE

Asia-Pacific Network for International Education and Values Education

August 4, 2023

**CAROLINA S. VIOLETA, D, CESO V  
SCHOOLS DIVISION SUPERINTENDENT  
DEPED BATAAN**

**Dr. Violeta:  
Greetings of peace from APNIEVE-Philippines!**

We are pleased to inform you that The Asia Pacific Network for International and Values Education (APNIEVE-Philippines) Region 3 will be holding its **DALUYAN 3.0: Unleashing the Power of Values Education and GMRC for DepEd MATATAG Agenda** to be held on **August 14-18, 2023** via zoom, the registration for this webinar is **FREE**.

One of the four critical components of DepEd MATATAG is to Give support for teachers to teach better. The importance of teacher training lies in providing support to enable teachers to excel in their profession, aligning with the Philippine Professional Standards for Teachers (PPST). Training equips teachers with effective teaching strategies, curriculum understanding, and improved communication with parents or guardians. Emphasizing reflective practices helps teachers continually enhance their methods. Participation in relevant professional development interventions, based on training needs assessment, ensures teachers, school heads, and supervisors are up to date with new strategies and content knowledge, leading to better education outcomes for students.

In this connection, may we request your good office to delegate 15 EsP teachers from your division to join this activity. This continuing professional education program is our modest contribution to values education for peace, human rights, democracy, and sustainable development, especially in this challenging time.

For inquiries, kindly contact Dr. Floyd G. Aquino, PIO and Region 3 APNIEVE Coordinator at 09306270760 or apnieve.ph@gmail.com.

Attached herewith is the rationale and program of activities for your reference.

Sincerely yours,

  
Floyd G. Aquino, EdD  
Regional Coordinator 3  
PIO-APNIEVE-Philippines

  
Maria Lourdes Quisumbing-Baybay, Ph.D.  
President  
APNIEVE-Philippines

UNESCO-APNIEVE

**Asia-Pacific Network for International Education and Values Education**

**Title: DALUYAN 3.0: Unleashing the Power of Values Education and GMRC for DepEd MATATAG Agenda**

**Scope: Region 3**

**Target Date: AUGUST 14-18, 2023**

**Target Participants: 15 participants per division**

**Mode of Training: Webinar Via Zoom**

**Free Registration Fee**

**Rationale:**

The APNIEVE-Philippines mission focuses on empowering individuals and institutions to promote the values of Peace, Human Rights, Democracy, and Sustainable Development. This is achieved through the establishment of networks and partnerships with local and international institutions interested in values education. Recognizing the crucial role of education, APNIEVE emphasizes the preparation of teaching-learning materials and the training of administrators and teachers at all levels. The mission advocates for a holistic approach to education, integrating values across the curriculum.

Aligned with this mission, the DepEd MATATAG initiative aims to intensify the values formation of learners in the curriculum and teaching, embedding a culture of peace to address basic education challenges. The DepEd Order 13 s. 2023 adopts the National Learning Recovery Program (NLRP) in the Department of Education, prioritizing the socio-emotional needs of learners. Schools are encouraged to continuously assess the need for mental health intervention and psychosocial support, with strengthened referral systems to meet these needs. Comprehensive support services and professional development opportunities are provided to address the social and mental well-being of learners and school personnel.

Teachers play a pivotal role in the success of the NLRP, and their professional development is essential. The Philippine Professional Standards for Teachers (PPST) highlight the importance of providing teachers with a conducive and supportive environment for growth and development. School leaders are expected to provide guidance and leadership that nurtures teacher excellence. Adequate support, including relevant professional development interventions identified through training needs assessments, is crucial for implementing new strategies and content knowledge.

The BEDP Basic Education 2030 envisions Filipino learners who possess physical, cognitive, socio emotional, and moral preparation for civic participation and engagement in post-secondary opportunities. The core values emphasized in this framework include being Maka-Diyos (God-fearing), Makatao (Humanitarian), Makakalikasan (Environmentally conscious), and Makabansa (Patriotic). Learners are encouraged to take pride in Filipino national identity, aspire for economic prosperity and socio-political stability, and live in a sustainable world. These values align with the institutionalized Good Manners and Right Conduct (GMRC) and Values Education as core subjects in the K to 12 curriculum, as mandated by Republic Act (RA) 11476.

Under the new law, DepEd is responsible for providing appropriate training for teachers and educators on GMRC and Values Education, as well as supplying them with adequate and relevant instructional materials. This ensures that teachers have the necessary capacity to effectively teach these subjects and instill the values of respect, intercultural diversity, gender equity, ecological awareness, peace and justice, obedience to the law, nationalism and global citizenship, patience, perseverance, industry, honesty, integrity, and good faith among students.

**Objectives:**

APNIEVE-Philippines empowers individuals and institutions in promoting the values of Peace, Human Rights, Democracy, and Sustainable Development. It establishes networks and partnerships with local and international institutions interested in values education. Thru this webinar series the participants are expected to:

- a. Enhance teachers' understanding of the values of Peace, Human Rights, Democracy, and Sustainable Development, and their significance in promoting a harmonious and sustainable society, aligning with the DepEd MATATAG initiative.
- b. Equip teachers with practical teaching strategies and learning materials to integrate values education across the curriculum, fostering the holistic development of learners as emphasized in the DepEd MATATAG initiative.

UNESCO-APNIEVE

**Asia-Pacific Network for International Education and Values Education**

- c. Provide teachers with the knowledge and skills to create a conducive and supportive classroom environment that nurtures the socio-emotional well-being of learners, addressing their mental health and psychosocial needs in line with the DepEd MATATAG initiative.
- d. Familiarize teachers with the National Learning Recovery Program (NLRP) and its implications for addressing educational challenges, particularly in relation to socio-emotional needs and values formation, as mandated by the DepEd MATATAG initiative.
- e. Inspire teachers to become role models in embodying the core values of Maka-Diyos, Makatao, Makakalikasan, at Makabansa, and instill these values in their interactions with students, colleagues, and the broader community, aligning with the goals of the DepEd MATATAG initiative.

**Participants**

- Basic Education (Elem., Junior High School and Senior High School) Teachers for VE/EsP/CLE of both Public and Private Schools
- School Guidance Counselors/Coordinators
- VE/EsP/CLE Department Heads/Head Teachers/VE/EsP District Coordinator/School Heads/Principals
