Department of Education School Division Office

Province of Bataan

Dear **Dr. Violeta**:

Isang makakalikasang pagbati!

The Roosevelt Protected Landscape in Bataan is among the legislated protected areas in Central Luzon under the Expanded National Integrated Protected Area System of 2018, which homes unique and varied biodiversity and wildlife.

**As part of our massive campaign to conserve and protect the Roosevelt Protected Landscape, we will hold a Poster-Making Contest, with the theme "Roosevelt: Kayamanan ng Kinabukasan, Alagaan" on September 29, 2023 in Bataan.**

The activity aims to highlight youth participation and engagement towards environment conservation through the arts. It will be participated in by Senior High School students from academic institutions in Bataan. This poster-making contest is a great opportunity for young people to express their creativity and passion for the environment.

In this regard, we would like to ask for your support in inviting 10-15 Senior High School Students from the Province of Bataan to join in this activity. We would also highly appreciate if more students from the towns of Dinalupihan and Hermosa participate, as these are the areas straddled by the said protected area. You may refer to the attached mechanics for the complete details of this poster-making event.

We look forward to your participation in this competition as we advance the cause of environmental advocacy here in Central Luzon.

Thank you very much and warm regards!

Sincerely,

**RAUL H. MAMAC**

*PENR Officer, DENR-PENRO Bataan*
