II Background and Mandates

ELDERLY FILIPINO WEEK 2023

Proclamation No. 470 on September 26, 1994, declared the first week of October every year as the ELDERLY FILIPINO WEEK (EFW) or *Linggo ng Katandaang Filipino*. The celebration underscores the vital role of the elderly sector in nation-building and the advocacy for the promotion of their rights and welfare.

Enshrined in the implementing rules and regulations of Republic Act 11350, the Commission is mandated to ensure the full implementation of laws, policies, and programs of the government concerning Senior Citizens.

Since 2021, the National Commission of Senior Citizens (NCSC) has spearheaded the annual celebrations of EFW. Meaningful activities in partnership with various government agencies, local government units, NGOs, civil society organizations, and the academe have been successfully conducted. The theme in 2021 highlighted "Older Persons: Resilience in Nation Building," celebrating the noble deeds of senior citizens amidst the COVID-19 pandemic.

III. Theme and Objectives

The 2023 theme, "**Honoring the Invaluable Legacy of Filipino Senior Citizens**," emphasizes the contributions of Filipino Senior Citizens in contemporary society. This year's celebration will highlight the stories of hope, triumphs, and milestones of senior citizens, showcasing their importance to families, communities, and society at large.
