=====

Pursuant to Section 3 of the Republic Act (RA) 7278, and RA 8044 or the Youth in Nation-Building Act, the Boys Scouts of the Philippines is mandated *"to promote through organization and cooperation with other agencies, the ability of boys to do useful things for themselves and others, to train in scoutcraft, and to inculcate in them patriotism, civic consciousness and responsibility, courage, and self-reliance, discipline and kindred virtues and moral values, using the method which are in common use by boy scouts."* It recognizes the vital role of Filipino youth in nation-building, and helps mold boys and girls into socially conscious, morally educated, skill-tested, environmentally aware, and service-oriented citizens and leaders of the country, through various scouting programs, projects, and activities in the local, regional, national, and international levels.

The formation of the youth through the scouting movement is a potent and effective way to address the existing social malady caused by drugs and vices that corrupt many young individuals, especially boys. It also makes the youth active volunteers, community builders, disaster responders, and environmental warriors.

Related thereto, the BSP will be conducting the 18<sup>th</sup> National Scouts Jamboree on **December 11-17, 2023** at the Camp Pintados de Passi, City of Passi, Iloilo, with the theme: *"Youth Engagement: Sustaining Relevance and Strengthening Resilience."*

The event is conducted only every four (4) years and is expected to host at least 30,000 scouts and leaders nationwide, with at least 300 foreign scouts from neighboring countries in the Asia-Pacific Region. This year's jamboree aims to provide a progressive learning environment for scouts to enhance their full social, physical, intellectual, character, emotional, and spiritual potential as active citizens in making contributions to creating a better community.
