Attention: **Dr. Roberto Luneta**
Medical Officer III

Dear **Superintendent Violeta**,

The Department of Health (DOH), through its Health Promotion Bureau (HPB), in coordination with the Department of Education (DepEd) has been tasked to operationalize healthy settings in schools as mandated by Republic Act No. 11223, the Universal Health Care (UHC) Law. This aims to promote and strengthen health education in learning institutions in the Philippines.

The Healthy Learning Institutions framework aims to bring together the P/CWHS and the Schools Division Office to implement a holistic series of interventions aligned with the World Health Organization's six pillars of health-promoting schools to create educational settings that are promotive of health. To realize HLI, a package of interventions is to be implemented in nine (9) Last Mile Elementary Schools (LMES) and fifteen (15) Non-Last Mile Elementary Schools in the Province of Bataan. In line with this, the DOH Central Luzon Center for Health Development will be conducting a roster of school-level and capacity development activities to be participated by the students, their parents and/or guardians, and the school personnel to support the 2023 implementation.

In this regard, may we request your support on the participation of selected personnel on the conduct and monitoring of capacity building and advocacy activities related to the implementation of the Healthy Learning Institutions in the Province of Bataan. Details of the activities are attached for your reference.

Should there be any questions and clarifications, you may reach our Regional Health Education and Promotion Officer, Ms. Theresa Marie Bondoc, at 0933-925-8607 or e-mail at HPS@centralluzon.doh.gov.ph.

Thank you very much for supporting the health promotion initiatives of the region.

Sincerely,

CORAZON I. FLORES, MD, MPH, CESO IV
