Regional Director

DepEd Region III

Maimpis, City of San Fernando, Pampanga

Attention: Respective Schools Division Superintendents of Region III

Madam;

Greetings of peace!

The **Senior High Network** is a loose network of individuals and organizations advocating for a more responsive, engaging, and relevant implementation of senior high school program in the country. The network tasked itself with initiating forums, discussions, workshops, and other forms of advocacy. It has also reached out to friendly institutions to work together on advocacy and future projects.

The Network will have its initial forum coinciding with its formal launch on January 20, 2024, Saturday from 1:00 to 5:00 p.m. at the HRD Auditorium of the Philippine Normal University (PNU) in Taft Avenue, Manila. With the theme ***Teachers and Students for Transformative SHS*** the forum shall focus on two main topics: the calls to restore **Philippine History as a dedicated subject in high school** and the discussion of the **United Nations (UN) Tax Convention**. This activity, which will be attended by some 100 participants, aims to facilitate an exchange of knowledge, and stimulate discussion between teachers, education students and advocates, and senior high school students from different schools in Metro Manila and nearby areas.

The forum is jointly organized by the **Senior High Network** and the Teachers' Dignity Coalition (TDC) with the support of the Philippine Normal University (PNU).

In this light, may we request that this activity be endorsed to the respective schools division superintendents (SDSs) to enable the participation of SHS student leaders, preferably the officers of the Supreme Secondary Learner Government (SSLG) or any existing clubs in our schools along with their advisers or interested teachers.

For confirmation and other queries, interested parties may inquire through email at seniorhighnetwork@gmail.com or fill-out this Google Form <https://forms.gle/HeutZx8mAGnMJ3xq9>. For further information, they may call our respective hotlines at 0938 -9519724 (for student concerns) and 0960-6596946 (for teachers' concerns). Attached is the event poster for other details.

Thank you very much, and we anticipate your most prompt and favorable response!
