### Asia-Pacific Network for International Education and Values Education

**Title: UKIT MATATAG AT MARANGAL: TRANSFORMING LIVES FOR LIFELONG LEARNING**

**Scope: Region 3**

**Target Date: April 6,13,20**

**Target Participants: 20 participants per division**

**Mode of Training: Webinar Via Zoom**

**Registration: Free**

#### **Rationale:**

Pursuant to Republic Act (RA) 11476 also known as the "GMRC and Values Education Act" which institutionalizes Good Manners and Right Conduct (GMRC) and Values Education in the K to 12 Curriculum, mandates DepEd to carry out appropriate training for teachers and educators on GMRC and Values Education, as well as to provide them with adequate and relevant instructional materials to develop their capacity to teach the subject especially the non-major in Values Education. Additionally, Regional Memorandum No. 013, s. 2024, titled "Implementation Guidelines on Strengthening Character Development through Edukasyon sa Pagpapakatao (EsP)/Good Manners and Right Conduct (GMRC) and Values Education (VE)", reiterates the provision of continuous capacity building/training, retooling, and upskilling for EsP/GMRC-VE teachers in accordance with their years in service, or level of proficiency (RPMS,2015) and needs. Regional Memorandum No. 661 s. 2023 titled Implementation Guidelines on the Adoption of the Ukit Marangal Framework in Support of the MATATAG Curriculum, that intensify and instill a transformative culture among DepEd personnel, teachers, and learners.

Aligned with this mission, the DepEd MATATAG initiative aims to intensify the values formation of learners in the curriculum and teaching, embedding a culture of peace to address basic education challenges. The DepEd Order 13 s. 2023 adopts the National Learning Recovery Program (NLRP) in the Department of Education, prioritizing the socio-emotional needs of learners. Schools are encouraged to continuously assess the need for mental health intervention and psychosocial support, with strengthened referral systems to meet these needs. Comprehensive support services and professional development opportunities are provided to address the social and mental well-being of learners and school personnel.

Teachers play a pivotal role in the success of the NLRP, and their professional development is essential. The Philippine Professional Standards for Teachers (PPST) highlight the importance of providing teachers with a conducive and supportive environment for growth and development. School leaders are expected to provide guidance and leadership that nurtures teacher excellence. Adequate support, including relevant professional development interventions identified through training needs assessments, is crucial for implementing new strategies and content knowledge.

The BEDP Basic Education 2030 envisions Filipino learners who possess physical, cognitive, socio emotional, and moral preparation for civic participation and engagement in post-secondary opportunities. The core values emphasized in this framework include being Maka-Diyos (God-fearing), Makatao (Humanitarian), Makakalikasan (Environmentally conscious), and Makabansa (Patriotic). Learners are encouraged to take pride in Filipino national identity, aspire for economic prosperity and socio-political stability, and live in a sustainable world. These values align with the institutionalized Good Manners and Right Conduct (GMRC) and Values Education as core subjects in the K to 12 curriculum, as mandated by Republic Act (RA) 11476.

#### **Objectives:**

APNIEVE-Philippines empowers individuals and institutions in promoting the values of Peace, Human Rights, Democracy, and Sustainable Development. It establishes networks and partnerships with local and international institutions interested in values education. Thru this webinar series the participants are expected to:

- a. Enhance teachers' understanding of the values of Peace, Human Rights, Democracy, and Sustainable Development, and their significance in promoting a harmonious and sustainable society, aligning with the DepEd MATATAG initiative.
- b. Equip teachers with practical teaching strategies and learning materials to integrate values education across the curriculum, fostering the holistic development of learners as emphasized in the DepEd MATATAG and Ukit-Marangal initiative.
