SUBJECT : **Reiteration on the Schedule for the Conduct of CY 2024 Quarterly Nationwide Simultaneous Earthquake Drill (NSED)**

DATE : February 23, 2024

Pursuant to the approved NDRRMC Memorandum No. 013, s. 2024 “Conduct of the CY 2024 Nationwide Simultaneous Earthquake Drill”, offices across all levels of the Department and schools are enjoined to participate in the conduct of quarterly Nationwide Simultaneous Earthquake Drill (NSED) with schedule as follows:

Quarter	Date	Time
1 st Quarter	March 14, 2024	09:00 AM
2 nd Quarter	June 13, 2024	02:00 PM
3 rd Quarter	September 12, 2024	09:00 AM
4 th Quarter	November 14, 2024	02:00 PM

Additionally, NDRRMC Memorandum No. 06, s. 2023 allowed the resumption of the conduct of traditional or in-person Nationwide Simultaneous Earthquake Drill since the beginning of the first quarter of 2023. It is therefore recommended to design and implement other forms of exercises based on needs assessment, aside from evacuation drills, to scale up overall earthquake preparedness. However, this is subject to the strict implementation of minimum health protocols such as but not limited to, social distancing and handwashing to ensure the safe and effective conduct of the NSED. All DepEd offices and schools responsible for implementing

the drill will assign Safety and Health Officers to monitor and evaluate the adherence to these protocols throughout the exercise.

To ensure awareness and preparedness on the impending threat of the inevitable occurrence of an earthquake, even amid pandemic, **Information, Education, and Communication (IEC) campaign in NSED using distant means should be continuously intensified.** A copy of NSED materials can be accessed through <http://tinyurl.com/DepEdNSED2024>.

In addition, **existing earthquake contingency plans of regional and division offices, and schools shall be updated** to incorporate mechanisms, and arrangements that are reflective of the current COVID-19 situation. To ensure minimum public health standards, the conduct of face-to-face NSED may be postponed or cancelled, or the methodology may be modified, if the IATF-EID decides to prohibit mass gatherings in any or all areas of the country due to certain circumstances.

For the post-NSED activities, the self-evaluation and processing of the NSED within respective areas of jurisdiction are encouraged after the conduct of NSED. The Office of Civil Defense (OCD) Exercise Evaluation Guide (EEG) can be used as a guide. The EEG can be accessed on the above link.

Proper documentation and post-activity evaluation of said drill are required. All field offices are advised to make necessary preparations to ensure that the required reports are submitted on time, as indicated in Annex A. Also attached is the NDRRMC Memorandum No. 013, s. 2024 for reference.

For further information, you may contact the Disaster Risk Reduction and Management Service, 2nd Floor, Mabini Building, Department of Education Central Office, DepEd Complex, Meralco Avenue, Pasig City through email at drmo@deped.gov.ph.

For information and appropriate action.
