**SUBJECT : Reiteration on the Observance of Fire Prevention Month and  
the Continuing Fire Safety and Awareness Program**

**DATE : 6 March 2024**

Pursuant to Presidential Proclamation 115-A declaring the month of March as Fire Prevention Month, the Office of the Undersecretary for Operations (OUOPS), through the Disaster Risk Reduction and Management Service (DRRMS), hereby reiterates to all offices across all levels of the Department and schools the importance of prioritizing safety through the Continuing Fire Safety and Awareness Program. This program was launched in schools through DepEd Order No. 72, s. 2012, with the aim to promote and intensify fire safety awareness, prevention, and preparedness among schools, personnel, staff, and learners nationwide.

Specifically, the "Continuing Fire Safety and Awareness Program", as prescribed by the DepEd Order thereof, hereby directs schools to:

- a. Conduct fire safety inspection and corrective actions by giving priority consideration to proper housekeeping and regular checking of electrical wiring and appliances;
- b. Attend fire safety education and training in coordination with the Bureau of Fire Protection in the locality;
- c. Ensure availability and functionality of fire safety equipment, fire alarm activation procedure, and public address system;
- d. Conduct quarterly fire and evacuation drills; and
- e. Implement the Kiddie/Junior Fire Marshall in coordination with the Local Government Unit through the BFP contained in a Joint Memorandum circular by and between DepEd and Department of the Interior and Local Government.

Furthermore, DepEd Order No. 28, s. 2016 "Strengthening the Fire Safety and Awareness Program", contains provision that outline the specific roles and responsibilities of all DepEd personnel at all levels, including the proper implementation of fire safety protocols, the conduct of regular fire drills and exercises, and the establishment of safety committees to oversee safety and security measures.

Further, it emphasizes the need for continuous monitoring and evaluation of the program's effectiveness to identify areas for improvement and ensure that safety standards are met. Hence, the DepEd Order No. 28, s. 2016, as attached, delivers a comprehensive framework for the successful implementation of the Strengthening the Fire Safety and Awareness Program in all DepEd schools and offices.

In addition, DepEd Order No. 53, s. 2022 emphasizes the importance of fire safety in schools, and one of the measures that schools must implement is conducting unannounced fire drills. This is to ensure that learners, teachers, and personnel are prepared in case of a fire emergency. The reiteration of this policy is crucial in promoting safety within the school premises.
