Dear **Superintendent Violeta**,

The Department of Health (DOH), through its Health Promotion Bureau (HPB), in coordination with the Department of Education (DepEd) has been tasked to operationalize healthy settings in schools as mandated by Republic Act No. 11223, the Universal Health Care (UHC) Law. This aims to promote and strengthen health education in learning institutions in the Philippines.

The Healthy Learning Institutions (HLI) framework aims to bring together the P/CWHS and the Schools Division Office to implement a holistic series of interventions aligned with the World Health Organization's six pillars of health-promoting schools to create educational settings that are promotive of health. The HLI program aims to continue and expand its implementation in the Province of Bataan to 18 non-Last Mile Elementary schools (LMEs) along with the previously identified 9 LMEs and 15 non-LMEs during the 2023 implementation.

In this regard, may we request your support through a division issuance on the participation of selected personnel on the conduct of the Kamustahan Session/Learning Circles for Healthy Learning Institutions 2023 Implementing Schools (Batch 2) in the Province of Bataan on March 13, 2024 at Crown Royale Hotel, Balanga City, Bataan.
