6. To optimize the time allotted per venue, the SDO-Bataan SHS Team advises the host school to adopt a direct-to-the-point orientation approach. This involves bypassing lengthy program preliminaries and roll calls. The recommended parts of the program are as follows:
 - A brief yet meaningful prayer
 - Participant recognition through a simple raising of hands
 - Concise introduction of guests
 - Orientation session and brief open forum
 - Brief messages from LGU, school leaders, parents, and students
 - Group selfies with the audience
7. The School Head of the host school shall assign a team that will efficiently manage the program, accommodation, other related concerns, and the creation of a brief and concise pictorial narrative report. This report should be submitted in softcopy via email to bataan@deped.gov.ph with the subject line "DualTech Orientation at [Name of Venue]," within a week following the scheduled activity.
8. This issuance shall serve as the Travel Authority of the participants.
9. Immediate and wide dissemination of this Memorandum is desired.
