### Letter of Invitation

Dear Dr. Eclar,

It is both a privilege and a sincere pleasure to formally invite you and your DepEd Region 3 personnel, teaching and Non- Teaching to our upcoming **10th IYF Education Forum (IEF), held on July 21st~28th, 2024 in Busan, South Korea.**

International Youth Fellowship (IYF) has been organizing the annual 'Ministers of Youth World Forum' and 'IYF Education Forum' for formal discussions on youth issues and development. Through these forums, education leaders worldwide have actively sought solutions to youth-related challenges through collaborative exchanges.

And 'Mind Education' which has gained significant attention through the forums as a fundamental solution to youth problems, has resulted in practical implementation in education, fostering positive changes for youths and garnering substantial global attention and support from various governments.

Starting this year, 'IYF Education Forum' will be divided into two parts: **the 'World University Leaders Forum'** and the **'World Youth Educators Forum'** This division allows for a deeper exploration of education topics, fostering targeted discussions for university leaders and youth educators.

Additionally, as a prelude to the forum, the **'Mind Education Leadership Course'** a training program on Mind Education' designed for educators, is scheduled to be conducted on **July 17-20, 2024 also in Busan, South Korea.**

Your expertise and insights are highly valued and will undoubtedly enrich our discussions, significantly contributing to the forum's success.

We eagerly anticipate your active participation in this meaningful event, offering a platform to explore innovative solutions to global educational challenges.

Thank you for considering this invitation. We welcome you to Busan, South Korea, for the 10th IYF Education Forum.

Yours sincerely

**SUBJECT: LETTER OF INVITATION FOR 2024 MIND EDUCATION SPECIALIST TRAINING JAPAN**

Dear Dr. Eclar,

It is a privilege and a sincere pleasure to cordially invite you and your DepEd Region 3 personnel, teaching and Non- Teaching to our upcoming **2024 Mind Education Specialist Training, Tokyo, Japan** this coming **June 17-22, 2024. With an entrance fee of \$700 (accommodation, meals, transportation during the event), a visa processing fee of Php 2,000, and an air ticket of Php 25,000 (approximately).**

IYF Mind Education has garnered global attention for its outstanding educational effects and performance in leading change. As governments around the world look to introduce Mind Education in their respective countries – there is a need to first foster educators who can deliver such education.

Thus, as an extended program of the IYF Mind Education, a Mind Education Leadership Course has been opened for educators. Participants will be able to learn the core principles of Mind Education through lectures by Mind Education professionals, and will then partake in various discussion groups to further contemplate and share what they have learned. By doing so, educators will be able to obtain a proper understanding of and training on Mind Education so that they may apply it when teaching their students.

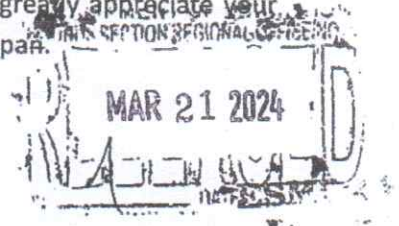

Mind Education Specialist Training is an international network formed to discuss and exchange current education challenges and solutions. By doing so, we hope to study and discuss in depth the possibilities of Mind Education and thereby foster international cooperation.

We are confident that this newly redesigned forum will bring us closer to finding solutions to the issues faced by today's students and prepare a brighter future for them. Therefore, we would greatly appreciate your interest and participation in the 2024 Mind Education Specialist Training, in Tokyo, Japan.

The IYF is looking forward to meeting you in Tokyo, Japan. Thank you very much.

Yours sincerely,

**Nam Kyung Hyun**
