*Regional Director*

Department of Education (DepEd) - Region III

Maimpis, City of San Fernando, Pampanga

Greetings of peace!

We are the **Junior Philippine Geographical Society - UP Diliman**, an academic and socio-civic organization based in the College of Social Sciences and Philosophy - Department of Geography, University of the Philippines - Diliman. Since 2005, the activities of the organization are anchored in promoting the distinct discipline of geography amongst Filipino youth and imparting the relevance of geographical knowledge in tackling the issues and challenges of Philippine society.

This year, we are happy to announce that we will be conducting the **National Geography Challenge (NGC)**, an inter-high school event consisting of various competitions attuned towards promoting the discipline of geography amongst high school students. Now on its 12th year, this event has been instrumental in **streamlining the discipline of geography to young audiences, particularly, high school students**, as well as to forward the organization's advocacy of bringing geography closer to the people

Going with the title **Dam-da-min: Feeling and Imagining About Space**, this year's NGC aims to highlight the lesser known aspect of geography and emphasize how emotions play an important role in shaping spaces. This year's iteration of NGC will involve four (4) competitions, namely: **Geography Quiz Bowl, Story Mapmaking Competition, Extemporaneous Speech, and Photo Essay Making**. This event will be held **face-to-face** on **May 11, 2024 (Saturday), 7:00 AM - 6:30 PM** at **UP Diliman (specific venue to be finalized)**.

## NATIONAL GEOGRAPHY CHALLENGE

ORGANIZED BY THE JUNIOR PHILIPPINE GEOGRAPHICAL SOCIETY - UP DILIMAN

In line with this, we would like to humbly request from your office a **regional advisory** for this year's NGC. We believe that an advisory from your office will help in **allowing us to make more schools informed about our event, with the hopes of encouraging them to join**. This is a good opportunity for high school students to know more about the discipline of geography through the competitions and other events that we have prepared.

For your reference, we have attached the **Event Primer**, which contains the explanation of the theme, and mechanics of the events included in NGC 2024, as well as the **certificate of recognition**, which certifies that we are a recognized organization in our college. Should you have any questions and/or concerns with regards to our event, you may contact us through [jpgs.ngc@gmail.com](mailto:jpgs.ngc@gmail.com) and/or through **John Marco Bajana** ([jcbajana@up.edu.ph](mailto:jcbajana@up.edu.ph) / 0961 326 9803), NGC 2024 School Relations Head.

We are looking forward to your positive response regarding this matter. Thank you very much!

Best Regards,

  
John Marco C. Bajana

School Relations Committee Head
