1. This Office announces the conduct of the Supreme Secondary Learner Government's 2024 Hinirang Camp cum Orientation of Batang Empowered and Resilience Team with the theme: "Leading Through Turbulence: Empowering Leaders for Disaster Resilience" on May 24-26, 2024 at Limay National High School, Limay, Bataan.
2. 2024 Hinirang Camp cum Orientation of Batang Empowered and Resilience Team is developed to enhance personal growth, skill development, and community building among participants. The camps are structured in a way that offers experiential learning, self-reflection, and collaboration to nurture the next crop of leaders equipped with the requisite skills and knowledge to make a positive impact in their society and beyond. Workshops, team-building activities, and outdoor exercises create a platform for the participants to have an increased level of communication abilities, decision-making, problem-solving capabilities, and knowledge about their strengths as well as values relating to leadership. Also, by combining these key areas, we realize how much one can achieve when united as a team, especially toward achieving common goals. Additionally, 2024 Hinirang Camp cum Orientation of Batang Empowered and Resilience Team presents cross-cultural understanding, and peer support networks amongst its attendees, thus bringing a sense of belongingness and comradeship.
3. The activity aims to enhance the leadership potential, camaraderie, and disaster readiness of the students in the Division of Bataan. This project will also develop students' social skills by meeting their fellow student leaders and sharing their ideas and insights on different projects on youth formation which is essential for them to become efficient and functional quality leaders.
