Dear Family of Peace,

Greetings of Peace and Harmony.

IWPG is implementing the "Plant Peace" project around the world to cease global war and to realize world peace for

the future generations. As part of this project, the International Loving-Peace Art Competition is an art contest to spread a culture of peace. It will plant seeds of peace within the hearts of children so that they can grow with the heart of peace.

This year's sixth preliminary round will be an opportunity for children who have been struggling now to heal and to freely express peace that is within to their heart's content. It will be a platform to Unite the World by the Light of Peace. We would like to invite you and your students to participate in this Competition via online.

Through this art they can open their heart and we can know the perception of our students regarding peace.

We can spread peace through arts. We request for you cooperation so that many children and youth can participate in the contest. The preliminary round will be held in Philippines on June 15, 2024 via zoom online and the Final round will be held in Seoul, Korea this November 2024.

We are looking forward to your positive response.
