Dear **Dr. Violeta,**

Greetings!

The Provincial Government of Bataan through the Provincial Health Office will celebrate *World No Tobacco Day* on *May 30, 2024* with a theme "*Protecting Children from Tobacco Industry Interference*". This will happen at the *Bataan Peoples Center, Balanga City*, at *10 in the morning*. As advocates for public health, we would like to invite *YOU* together with *two representatives from the Health and Nutrition Unit*. Furthermore, we also would like to invite your *District Tobacco Control Coordinator and Nurses* to join us in this event. Your presence will greatly enhance the event and underscore the importance of tobacco control efforts in our province.

Your insights and expertise would contribute significantly to the discussions and inspire attendees to take proactive steps toward tobacco cessation and prevention. More so, your participation would honor us and amplify the message of promoting a tobacco and vape-free society, which aligns perfectly with the Department of Health's mission to safeguard public health.

We are hopeful that you will be able to join us for this significant occasion. Please let us know at your earliest convenience if you can attend by sending a message to *Dr. Rosanna M. Buccahan* at *mobile number 09189086983*.

Thank you for your dedication to advancing public health initiatives, and we look forward to the possibility of welcoming you to our event.

Warm regards,

JOSE ENRIQUE S. GARCIA III
