**CALL FOR SUBMISSION OF ENTRIES: HEALTHY PILIPINAS AWARDS FOR
BASIC EDUCATION INSTITUTIONS 2024**

To: Assistant School Division Superintendent
Chief Education Supervisors
Public School District Supervisors
Elementary and Secondary School Heads
All Others Concerned

1. Republic Act 11223 or the Universal Health Care Act recognizes the critical role of school communities in enabling healthy behaviors within their jurisdiction by designating all school under the supervision of the Department of Education as healthy settings.
2. To support this mandate, the Joint Administrative Order (JAO) No. 2022-0001, titled "Guidelines on Healthy Setting Learning Institutions," was enacted. According to the JAO, the Department of Education (DepEd), in coordination with the Department of Health (DOH), is responsible for developing and maintaining a recognition or compliance system that allows individual institutions to be designated as healthy learning environments.
3. In this context, the DOH will confer the "Healthy Pilipinas Awards for Basic Education Institutions 2024" to honor schools that exemplify the standards of a healthy learning environment.
4. The following participating schools must submit their application documents to their Regional DOH and DepEd offices on or before **May 31, 2024**.

SUBJECT: Guidelines on the Implementation of the Healthy Pilipinas Awards for Basic Education Institutions 2024

I. BACKGROUND

Republic Act 11223 or the Universal Health Care Act recognizes the critical role of school communities in enabling healthy behaviors within their jurisdiction by designating all schools under the supervision of the Department of Education (DepEd) as healthy settings. In support of this mandate to reframe schools as strategic settings for health promotion and service delivery, the Department of Health (DOH), in partnership with national education agencies including Department of Social Welfare and Development (DSWD), Commission on Higher Education (CHED), Legal Education Board (LEB), Technical Education And Skills Development Authority (TESDA), and Department of the Interior and Local Government (DILG) implement Joint Administrative Order (JAO) No. 2022-0001, or "Guidelines on Healthy Settings Framework in Healthy Learning Institution."

The JAO states that DepEd, in coordination with the DOH, shall develop and maintain a recognition or compliance system for individual institutions to be recognized as healthy learning institutions. To operationalize this, the DOH shall confer the "**Healthy Pilipinas Awards for Basic Education Institutions 2024**" to recognize exemplary schools that meet the standards of a healthy learning institution.

II. OBJECTIVES

This Department Circular aims to support the development of Healthy Learning Institutions (HLI) among basic education institutions (BEIs) by providing guidelines on the conduct of Healthy Learning Institutions awarding activities.

The objectives of the Healthy Pilipinas Awards for Basic Education Institutions 2024 are the following:

- A. To recognize basic education institutions that meet the standards for Healthy Learning Institutions;
- B. To initiate Healthy Learning Institution certification among BEIs; and,
- C. To incentivize local government units' (LGUs) investment in school health initiatives.

III. SCOPE AND COVERAGE

The awarding mechanisms and incentives stipulated in this Department Circular shall be made applicable to all basic education institutions, including kindergartens, elementary schools, and secondary or high schools, whether public or private.

IV. GENERAL GUIDELINES

- A. Schools may submit documents for certification as a Healthy Learning Institution to local DepEd offices on a rolling basis, consistent with the OK sa DepEd - Healthy Learning Institutions (OKD-HLI) Implementing Guidelines;
- B. To qualify for recognition, school heads or other designated school representatives shall submit application documents to their regional DOH and DepEd offices by **May 31, 2024**;
- C. Once received, DOH and DepEd regional offices shall conduct validation of the schools eligible to be certified and recognized;
- D. The DOH Regional Office shall then conduct a regional HLI awarding ceremony to recognize all certified Healthy Schools and Last-Mile Elementary Schools;
- E. The Centers for Health and Development (CHDs) shall transmit the list of awardees and score sheets to the DOH Central Office once the final list of awardees is available;
- F. The list of awardees shall be reviewed by the DOH and DepEd Central Offices for consideration as finalists in a National Awarding ceremony.

The process flow for the awarding is illustrated in Annex A.

V. SPECIFIC GUIDELINES

A. NATIONAL AWARDING GUIDELINES

1. Award Categories for the National Awarding

The national awards categories shall include the following:

- a. **Healthy Schools Category** - This category recognizes the top 3 public or private grade schools and high schools per region that garnered the highest scores per region on the Self-Appraisal Checklist (SAC).
- b. **Last Mile Category** - This category recognizes the top 3 Last Mile Elementary Schools (LMEs) and High Schools (LMHs) per region that garnered the highest scores on the activity report.

2. Criteria for the National Awarding

The winners from the regional awards shall be automatically entered in a shortlist for the **HLI national awards**, or the **Healthy Pilipinas Awards for Basic Education Institutions 2024**, according to the following selection criteria:

Category	Criteria for Eligibility to the National Awards	Number of Schools per Region to be Recognized In the National Awards	Cash Incentive per School
Healthy Schools Category	Having the top highest scores in the Self-Appraisal Checklist	1	PhP 200,000
Last Mile Category	Having the top highest scores in the Last Mile category	1	PhP 100,000

The national awarding shall provide cash incentives ranging from P100,000 to P200,000 per school. The said incentives are intended to be used by the schools to invest in programs, projects, or activities to maintain or improve their status as Healthy Learning Institutions. Regional offices shall conduct follow-up monitoring visits one year following the school's receipt of the cash incentives to monitor the utilization of said funds, consistent with existing budgeting, accounting and auditing rules and regulations.

3. Application Procedures for the National Awarding

- a. The pool of applicants to the national awarding shall come from the winners list of the regional awards, to be endorsed by the CHDs and DepEd ROs. There shall be no individual applications to the national awarding.
- b. From the list endorsed by the CHDs, the DOH HPB and DepEd BLSS shall select the top-scoring school of each region under the Healthy Schools Category and Last Mile Category to be recognized in the national awards.
- c. In the event of a tie, the Sub-Technical Working Group on Childhood and Adolescence shall deliberate and create further criteria as necessary to determine the winner.
- d. The winners shall be notified at least 1 month prior to the national awarding.

I. Award Categories for the Regional Awarding

All CHDs including BARMM shall conduct a regional Healthy Learning Institutions Awarding, ideally prior to the start of the school year 2024-2025. For uniformity with the national awarding, the regional awards shall be based on these categories:

- a. **Healthy Schools Category** - This category recognizes public or private grade schools and high schools that meet the standards for HLIs as listed in the Self-Appraisal Checklist (SAC) in Annex B. This category is further subdivided into:
 - i. Satisfactory
 - ii. Very Satisfactory
 - iii. Outstanding
 - iv. Best Practices
- b. **Last Mile Category** - This category recognizes Last Mile Elementary Schools (LMEs) and High Schools (LMHs) with exemplary health promotion efforts, including the last mile school community members who actively advocate for and lead the implementation of school health activities. The category is further subdivided into:
 - i. Outstanding Last Mile School
 - ii. Outstanding Last Mile HLI Champions
 - iii. Best Practices

2. Criteria for the Regional Awarding

For each category, the CHDs shall coordinate with their DepEd counterparts for **joint scoring** (i.e. both agencies follow the recommended criteria for scoring, with the final score being the average from both agencies). The winners of the regional awarding shall receive plaques and certificates.

- a. **Healthy Schools Category** - Scoring shall be based on the school's score in the Self-Appraisal Checklist, as shown in Annex B. This category is also open to last mile schools who are interested in applying. The scoring mechanism is as follows:
 - i. Satisfactory - The school meets **65%-80% of standards** in all pillars.
 - ii. Very Satisfactory - The school meets **81%-95% of standards** in all pillars
 - iii. Outstanding - The school meets **96-100% of standards** in all pillars.
 - iv. **Best Practices Awards** - Projects, activities, or programs shall be awarded following the following subcategories of the 6 Pillars of a Health-Promoting Schools Framework, namely:
 - Healthy School Policy
 - Physical School Environment
 - Social School Environment
 - Health Skills and Education
 - Links with Community
 - Access to Healthcare

Annex C. Best Practices per pillar are scored according to the following criteria:

Criteria	Description
40% Impact	The school should be able to demonstrate the impact and outcomes of HLI initiatives, such as improved student health literacy and behavior, academic performance, reduced absenteeism, and increased parent and community engagement.
30% Responsiveness	The intervention is designed and implemented in a way that addresses the specific needs, challenges, or demands of the school, learners, or the surrounding community.
20% Sustainability of projects and activities	The project or activity will contribute to making schools health-promoting or to achieving desired health outcomes <i>i.e. Improvements in mental health, CSE/ARH, or immunization knowledge, attitudes, and practices</i>
10% Uniqueness or innovativeness	Introduces something new or make improvements to existing interventions or services, and has demonstrated overcoming obstacles in implementation

b. Last Mile Category

- i. **Outstanding Last Mile School** - Scoring shall be based on the school's HLI activity report, the template of which is attached in Annex C.

Criteria	Description
40% Contribution to achievement of HLI provincial- and/or school-level goals	As determined by comparison of projects and activities against province-level goals
30% Sustainability of projects and activities	Shows sustainability through school policies, adoption into annual implementation plan, and with documented sustainability of advocacies through adoption of community members

20% Completeness of activities across the six pillars	The activities implemented cover the six pillars of a health-promoting school
10% Innovativeness and creativity of projects and activities	Uses emerging technology, or uses old technology but with a novel strategy, and has demonstrated overcoming obstacles in implementation.

- ii. **Last Mile Category - Last Mile HLI Champion** - This individual shall be jointly selected by the CHD and DepEd Regional Office based on the following description:

Criteria	Description
Last Mile Champion/s	This represents a person who is a strong advocate for health promotion, actively championing to help transform their schools to become healthy learning institutions. This does not necessarily have to be a school head, but could be any personnel from the school.

- iii. **Last Mile Category - Best Practices Award** - The scoring for this sub-category, which shall be exclusively for Last Mile Schools only, shall be the same as the Healthy Schools - Best Practices Award in item B.2.iv above. Similarly, there shall be 6 sub-categories corresponding to the 6 Pillars of a Health-Promoting Schools Framework, namely:

- Healthy School Policy
- Physical School Environment
- Social School Environment
- Health Skills and Education
- Links with Community
- Access to Healthcare

3. Application Procedures

- a. All public and private grade schools and high schools shall be eligible to apply for the Regional Healthy Learning Institutions Awards 2024.
- b. There shall be only **one application per campus**, i.e. schools that offer elementary and secondary classes within the same campus shall be considered under one application. Likewise, schools with elementary and secondary classes in separate campuses shall submit separate applications.
- c. Interested schools shall accomplish the online registration form at bit.ly/HLIAwardsREGFORM with the full name and contact information of an authorized representative of the school.

- d. Schools must indicate in the above registration form the award category they are interested in applying for. Schools may apply for more than one (1) category when applicable (e.g. private schools may not be allowed to apply for the "Last Mile Category" but may apply for "Healthy Schools Category" and "Best Practices").
- e. To complete the application, schools must submit the completed Self-Appraisal Checklist and Activity Report (accessible at <https://bit.ly/HLIAwardsPacket>) by uploading to the registration link (bit.ly/HLIAwardsREGFORM) on or before **May 31, 2024, 11:59 PM**.
- f. For best practices, schools shall submit applications based on their own original work, a health promotion project or program implemented between 2022-2023 within the area of their jurisdiction. Entries whose dates of implementation are outside of the aforementioned time period shall not be eligible.
- g. School applications shall not be in any way, directly or indirectly, funded or supported by industries whose interests, goals, and objectives contradict those of the DOH or the public health sector. The applications shall comply with the CSC-DOH JMC 2010-001 on the Protection of the Bureaucracy Against Tobacco Industry Interference and Executive Order 51 or the Milk Code. Applications violative of these policies shall be automatically disqualified.
- h. Applications shall not contain any third-party materials and/or content that does not have permission for use, nor materials which may be inappropriate, promoting of dangerous behavior, obscene, defamatory, distasteful, offensive, or in breach of any legislation or regulations, or in breach of confidentiality obligations owed by the school to third parties.

INSTRUCTIONS: This form is intended to be filled out by school heads or designated school personnel interested to apply for **Oplan Kalusugan sa DepEd - Healthy Learning Institutions certification**. Answer only the "Applicant" portion. Indicate "1" if the item is fully in place, "0.5" if partially in place, and "0" if absent. At the end of each portion, add the scores per indicator. An indicator is only given a score of "1" if all of its component standards scored 1. A score of 0.5 in any standard will result in the indicator scoring 0.5.

A validator will visit the school at a later date to verify all information provided. Please answer honestly and be prepared to show any Means of Verification (MOVs) during the surveyor's visit. Schools found to have "Satisfactory" marks or higher will be eligible to be certified as Healthy Learning Institutions.

For the validator: Validate the applicant's scoring for each standard. Score "1" on the indicator if all of its component standards are found to be fully in place. If one standard is only partially in place, score "0.5" on that indicator. Indicate the MOVs, if any (e.g., observation, photo, video, accomplishment report, lesson plans, etc.) in the "MOV" portion. At the end of each portion, total the scores per indicator.
