Dear Ms. Carolina S. Violeta:

Greetings!

As we navigate the ever-evolving digital landscape, we must come together to protect ourselves, our organizations, and our communities from cyber threats. Cybersecurity is not just an IT issue; it's everyone's responsibility.

Thus, in its continuing efforts to keep our Cyberspace safe for the children and young, the CyberGuardiansPH will hold its annual Cyber Express Contest – Interschool Edition. This contest will not only showcase the diverse, innovative, and creative prowess of the young, but it also aims to raise awareness and empower the youth to help co-create a safer

cyberspace for themselves and others.

The Cyber Express Contest - Interschool Edition is an inter school competition (including the "youth not in education, employment, or training" or NEET), on the following areas:

- 1. Video Making
- 2. Spoken Word Poetry
- 3. Songwriting
- 4. Slogan/Poster Making

All entries should capture any of the following cyber threats against children and the young and how the youth can help co-create safer cyberspace:

- 1. Online sexual abuse and exploitation of children (OSAEC);
- 2. Cyberbullying;
- 3. Excessive use of social media;
- 4. Online gaming addiction; and
- 5. Misinformation/Fake News and Disinformation/trolling

Given the above, may we invite you to support this endeavor and enjoin the public schools in the region to participate in this Contest? Please see the Google registration link, indicating the CONTEST MECHANICS <https://bit.ly/CyberExpress2024> for schools to confirm their participation on or before **August 30, 2024**.

The submission deadline to cgphcyberexpress2022@gmail.com for the names of the official school representatives per category and their corresponding entries will be on **September 20, 2024, at 7:00 PM**. The ten semi-finalists for each category will be announced on **November 8, 2024** and posting on Facebook will be on **November-18, 2024**.

The winners (1st, 2nd, and 3rd Placers) will be announced during the 4th National Youth Leadership Summit on Safer Cyberspace scheduled on **November 23-24, 2024**. Summit details to follow.

Creating a safe online environment for children and the young requires collective efforts from parents, schools/educators, policymakers, government, NGOs/civil society, and the church. Let us work together to protect our young ones in the digital world!

Looking forward to your confirmation of Participation.

Sincerely,

MA. CONCEPCION T. SANGIL
