DIVISION ADVISORY
No. 240, s. 2024

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Public Elementary and Secondary School Heads
All Others Concerned

This Office informs all concerned that the date on the certificate of participation and appearance issued to the participants during the School-Based Training was July 22-26, 2024, which was printed a week before the training.

However, due to bad weather conditions and the suspension of classes and school activities in the province, the actual training for the last three (3) days was moved to July 29-31, 2024. The management opted not to print new certificate for austerity measures considering the 2,098 participants, and instead released an advisory regarding the change of schedule.

Given this, all certificates issued with the date July 22-26, 2024 shall be accepted for travel and other claims.
