**Subject:** Request for Permit to Enter Schools for Room-to-Room Marketing to Junior High Schools and Distribution of Promotional Materials to Senior High Schools

Dear Dr. Violeta,

Greetings of peace and gratitude!

The Bataan Peninsula State University - University Admission and Testing Center seeks to further promote BPSU's program offerings to prospective students. In line with this, I am writing to respectfully request your permission to enter schools under the SDO Bataan to conduct the following activities within the current month:

- 1. Room-to-room visits to junior high school students:** A group of admission officers plans to visit Grade 10 classrooms to provide a brief overview of our program offerings and current admission policies. This will help guide students in making informed decisions about which strand or track to pursue in Senior High School, ensuring alignment with our admission criteria.
- 2. Distribution of promotional materials:** As part of the office's annual strategy, admission officers will distribute brochures to senior high school principals or other relevant officials to further disseminate information and promote the ongoing online admission applications.

Please see attached proposed schedule outlining the specific schools that BPSU admission officers plan to visit.

We look forward to your favorable response on this request.

Thank you very much.

Very Truly Yours,

University President
