DIVISION MEMORANDUM

No. 293, s. 2024

**TRANSPORTING QUALIFIED FEMALE SENIOR HS GRADUATES
FROM DEPED BATAAN TO PUNLAAN SCHOOL**

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Education Program Supervisors
Public Schools District Supervisors
Public Senior High School Principals
All Others Concerned

1. The Kto12 education program is designed to enhance the educational framework in the Philippines by equipping students with the skills and knowledge necessary for their personal and professional development. In line with this, Punlaan School, established in 1975, has been a pivotal institution in providing education and training to young women from disadvantaged backgrounds.
2. Punlaan School has recently extended its support to graduates from DepEd Bataan Senior High Schools, offering them the opportunity to embark on careers in the hotel, restaurant, and pharmacy industries through the German Model of the Dual Training System. This model combines theoretical education with practical training, ensuring that students are well-prepared for their future careers.
3. Further, the students who have been successfully admitted to the programs at Punlaan School will be accompanied by their respective parents, principals, the SDO-Bataan Senior High School Team, selected Provincial School Board staff, and Iskolar ng Bataan representatives for safe transportation to **San Juan City** on **July 26, 2024**. This logistical support aims to eliminate any barriers that might hinder their educational and training pursuits.
4. The qualified graduates and other participants in this activity are listed in the attached enclosure.
