All Others Concerned

1. Aligned with the commitment of the Department of Education (DepEd) and the Provincial Government to guide students in selecting meaningful career paths after Senior High School, DepEd-Bataan has established a partnership with DualTech Center in Laguna. This partnership aims to provide our qualified senior high school graduates with the opportunity to pursue technical vocational careers, empowering them to become productive and successful individuals.
2. DualTech Center, renowned for its excellence in technical vocational education and training, offers a unique program that combines theoretical learning with hands-on experience. This approach ensures that students are well-equipped with the skills and knowledge required for their chosen careers.
3. In line with this, the students who have been successfully admitted to the programs at DualTech will be accompanied by their respective parents, principals, the SDO-Bataan Senior High School Team, selected Provincial School Board staff, and Iskolar ng Bataan representatives for safe transportation to **Calamba, Laguna** on **July 30, 2024**. This logistical support aims to eliminate any barriers that might hinder their educational and training pursuits.
4. The qualified graduates and other participants in this activity are listed in the attached enclosure.
