The External Partnerships Service (EPS) – International Cooperation Office (ICO) annually downloads the ASEAN-UNESCO Information Drive Funds to the Regional Offices of the Department of Education to encourage our counterparts in the field to conduct initiatives to promote and raise awareness on the ASEAN and the UN, including the UN Educational, Scientific, and Cultural Organization (UNESCO), and the SDGs.

During the Program Implementation Review (PIR) January 16, 2024, it was announced that all downloading of funds to regional offices must be facilitated by March 15, 2024. In line with this, the ICO targets to facilitate the downloading of funds before the set deadline to ensure that the regional offices have access to resources that can be used in their ASEAN-UNESCO awareness and information campaign for the celebration of the ASEAN Day on August 8, 2024 and UN Day on October 24, 2024.

As we draw closer to the Philippine Chairmanship of ASEAN in 2026, and the deadline for the achievement of the UN Sustainable Development Goals in 2030, the ICO is committed to raise awareness on ASEAN and the UN to create a community where global citizenship, peace, cultural appreciation, civic consciousness, and collaborative initiatives will thrive. In line with this, **all recipients of this communication are requested to go over the pertinent details stated below:**

Call for Proposals:

All regional offices (ROs) are requested to submit proposals for activities that will elevate awareness and understanding of ASEAN and the UN within their respective jurisdictions in 2024. ROs who are able to successfully comply will be eligible for funding support from the ICO. This opportunity will help facilitate creative approaches in raising awareness about ASEAN and UN, allowing each region to conduct activities that are appropriate with the context of their diverse audiences.

Call for Reports:

To facilitate monitoring and evaluation, the **EPS-ICO respectfully requests all regions that were downloaded with the ASEAN-UNESCO Information Drive Program Support Funds for 2023 to submit their utilization and activity reports.** These reports will not only serve to evaluate the effectiveness of activities but also provide valuable insights for future projects of the ICO in supporting the regions as they take part in raising awareness about ASEAN and the UN. - National Capital Region
