**DIVISION MEMORANDUM**

No. 309 s. 2024

SEP 05 2024

**2024 SCIENCE MONTH CELEBRATION**

To: Assistant Schools Division Superintendent  
Chief Education Supervisors  
Education Program Supervisors  
Public Schools District Supervisors  
Public Elementary and Secondary School Heads  
All Others Concerned

1. In observance of the 2024 Science and Technology Month this September, as per Presidential Proclamation No. 264, s. 2002, this Office recognizes and supports the conduct of classroom-based activities and other related instructional events that align with this year's theme: **Integrated Approach in Science and Technology for a Sustainable Future.** These activities are encouraged from September 1-30, 2024, to enrich the delivery of the Science curriculum, with a focus on practical applications in everyday life.

2. The 2024 theme underscores the significance of interdisciplinary collaboration, efficient resource use, and initiatives that raise awareness, build capacity, and foster innovation in sustainability.

3. This year's activity aims to:

- engage learners in activities that enhance their understanding and appreciation of Science and Technology,
- encourage curriculum and classroom-based activities that highlight the integration of diverse fields of knowledge, promote the efficient use of natural resources, reduce waste, minimize environmental impact, and advance STEM education with a focus on sustainability and innovation, and
- enhance the delivery of instruction through the practical application of engineering design principles.

4. All schools are encouraged to participate in activities that align with the content and performance standards of the Science curriculum. Planning and implementation should comply with DepEd policies on time-on-task (DepEd Order No. 9, s. 2005) and the no-collection policy (DepEd Memorandum No. 41, s. 2024).
