TO: RONNIE S. MALLARI, PhD., CESO V

Officer-In-Charge, DepEd Region 3
Office of the Regional Director

Dear Sir,

In behalf of Zennor Hydroponics Farm, we would like to invite the public and private schools of the Schools Division of Central Luzon / Region 3 to join the

6th NATIONAL HYDROPONICS QUIZ BEE 2024

with the theme: **Smart Hydroponics: Future Farming Technology towards a Sustainable Food Production**. The event is on December 3, 2024 at Zennor Hydroponics Farm, Brgy. Salaza, Palauig, Zambales. This event was organized by the Zennor Hydroponics Farm, when Dr. Romeo Alip was the Schools Division Superintendent of Zambales, but during the pandemic we cancelled the competition for the meantime but, we decided again to continue the competition. Yearly the Department of Tourism in Zambales, Department of Agriculture in the region and the Agricultural Training Institute are always supporting our advocacy.

The aim of this competition is to spread the agriculture in general and hydroponics in particular. **All participating schools must have an existing "GULAYAN SA PAARALAN"**.

This activity is also promoting with the new banner of the agriculture which is the **National Urban-Peri Urban Agriculture Program (NUPAP)** under the Department of Agriculture. Infact public schools can join the NUPAP for the best Urban & Peri-Urban Garden in the regional and national level.

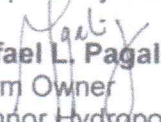

We are looking forward that a lot of schools in different provinces in the Philippines would join again in the hydroponics quiz bee competition.

Zennor Hydroponics Farm also is a place wherein students from public and private schools do their immersions. And we have been catering them since we open the farm for senior high school immersion.

Enclosed here are the details on how to join the competition and awards to be received.

Thank you very much. God Bless!!!

Respectfully Yours,

Rafael L. Pagaling
Farm Owner
