DR. CAROLINA S. VIOLETA

Schools Division Superintendent

Department of Education Schools Division Office - Bataan

Dear **Dr. Violeta**:

Greetings from the Department of Information and Communications Technology - Region 3!

The ICT Literacy and Competency Development Bureau (ILCDB), the training arm of the Department of Information and Communications Technology (DICT), is dedicated to advancing the skills and digital literacy of Filipinos through its Tech4ED Project under the Digital Transformation Centers (DTC). The Technology for Education, Employment, Entrepreneurship, and Economic Development (Tech4ED) Project is a national digital inclusion initiative aimed at creating self-sustaining centers that serve as hubs for capacity development in rural and underserved areas.

The **Regional Tech4ED Awards 2024 - Central Luzon** honors exemplary achievements within this initiative and celebrates the innovations and dedication of our Tech4ED Centers in advancing digital literacy and inclusion. This annual event provides a platform to showcase our partners' impactful contributions. The award objectives are to:

- recognize outstanding performances among partner Tech4ED Centers;
- encourage sharing of success stories and best practices to elevate the quality of service;
- raise awareness of the DTC Initiative across various regions.

In this spirit, we invite you to submit nominations for this event. This is a meaningful opportunity to highlight your center's impact and inspire others. Listed in the attached Annex are the Tech4ED Centers under SDO Bataan.

For guidelines and the nomination form, please click/visit the link below <https://tinyurl.com/R3-Tech4ED-Awards-Guidelines>. The deadline for submission is **November 10, 2024**. Should you have further inquiries, please contact **Rachelle G. Monez** at rachelle.gonzales@dict.gov.ph or **0991-214-0306**.

Thank you for your unwavering commitment to digital empowerment. We look forward to your nominations.

Respectfully yours,

Digitally signed
