Office of the Regional Director

DepEd Region III

San Fernando, Pampanga

**THRU: DR. JOSEPH D. REYES**  
Education Program Supervisor  
Deped Region III

Dear Director Mallari:

Greetings from Gokongwei Brothers Foundation (GBF)!

GBF has dedicated itself to contributing to the country's progress by providing quality education to its future workforce, particularly in the fields of Science, Technology, Engineering, and Mathematics (STEM). Its Educators' Professional Development Programs aim to uplift the quality of STEM Education of Learners through building competencies of STEM Educators.

One such program for teachers is GBF STEM Collab, an engaged community of more than 74,000 STEM Educators. Aside from being a peer-learning platform, it is also a capacity-building program that provides free, bite-sized, and PPST-aligned webinars.

In this light, we are honored to present the upcoming GBF STEM Collab Webinar Series on **Mathematical Investigation and Modeling**. This series intends to support DepEd in its efforts to further equip educators to conduct Mathematical Investigation and Modeling to advance learning in our country. Sessions will be live streamed at 9:00 A.M. and 1:00 P.M. on November 9 and 16, 2024 via the [GBF STEM Collab Bestie Facebook Page](#).

Dr. Flordeliza Francisco, a Professor of Far Eastern University, and Dr. Victoria May P. Mendoza, a Professor of the University of the Philippines Diliman, will share their expertise and lead the discussion on the following topics:

<b>November 9: Mathematical Investigation</b>		
Session 1	9:00 AM – 11:00 AM	Introduction to Mathematical Investigation
Session 2	1:00 PM – 3:00 PM	Conducting Mathematical Investigation
<b>November 16: Mathematical Modeling</b>		
Session 1	9:00 AM – 11:00 AM	Introduction to Mathematical Modeling
Session 2	1:00 PM – 3:00 PM	Conducting Mathematical Modeling

We invite teachers of your region to be part of the GBF STEM Collab Community to gain free access to the following:

- a large network of STEM Educators to engage with in peer learning,
- PPST-aligned webinars streamed live via our Facebook Page,
- meet-ups and synchronous open space discussions held via Zoom,
- our library of downloadable teaching resources, classroom materials, and LAC Session Guides, and
- certificates, awards, and prizes for outstanding members and *paandar* (games) winners

With this, we would like to request your good office for the following:

- to disseminate information and encourage School Heads, STEM Teachers, and Club Advisers from Public and Private Elementary and Secondary Schools to join the GBF STEM Collab FB Community and attend the learning sessions,
- to endorse the GBF STEM Collab Webinar Series to DepEd offices under your network,
- to promote GBF STEM Collab to your constituents through your information channels, and
- to co-livestream our webinars on your official Facebook Page.

Attached here is the poster of the said webinar series. Those interested to join the GBF STEM Collab Community may go to: GBF STEM Collab Community | Facebook. Those who would like to register to the webinar may visit this link: <https://bit.ly/GBFSTEMCollabNovWebinar> or Scan the QR Code:
